A report in the Mercantile and Financial Times shows that from 1900 to 1906 the Bell Telephone company increased its stock from \$5.000,000 to \$9.980,000, its total receipts from \$1,614.000 to \$4.139,000, its net profits from \$381,000 to \$992,000, its net profits from \$381,000 to \$992,000, its dividend payments from \$371,000 to \$726,000 its contingent fund from \$900,000 to \$2.790,000, and the number of stations in

The freshmen now eager for battle, climbed through the window one by one, when they were greatly surprised to find themselves immediately bound hand and foot, and put in a row against the wall. Their boots and socks were then removed, after which the chief of the opposing tribe de-manded that they be tapped and

The "newlyweds" put up a stiff fore they were handled, but in the end were dipped in the bath, and had a large letter "F" stamped on the foreheads and both cheeks with indeli-

The most amusing part of the proceeding followed when all the shoes and stockings were put in two large sacks and carried to the front of the new arts building, where they were piled in a heap. The vanquished force, now one hundred strong, were again left loose and chased across the gravel and campus in their bare feet to the pile of footwear, and had to dig for their own. This part of the proceeding was watched by nearly every student in the university, the boys thronging the grounds and the lady students occupying seats in the win-dows, far from the danger line.

After two hours diligent search most of boots had been paired off, and the fight was over, three cheers were given by each year and the Gaelic slogan was voiced by over a thousand lusty
