ANNUAL CATALOGUE

Issued By Geo. Mills & Co .- The Best Yet. One of the recent productions of the

hig press is the annual fur catalogue issued by George Mills & Co., the prietors of the large fur store on Princess street. The book, which is bound with Old Veda paper, contains twenty-four pages, all beautifully illustrated, showing the styles of furs that will be mostly in demand this season. A feature of their catalogue photographs of their garments, and this fact accounts in no small measure for the large mail order business the do through this catalogue.

This enterprising firm has thousands of these handsome catalogue
