SPORTS ON HOLIDAY

The Annual Intercollegiate Track Meet.

Toronto Captures the Championship in Different Events—Three Records Were Broken—The Day Was Fine for Sports.

Ideal weather favored the ninth annual intercollegiate track meet, held at Queen's University athletic grounds, yesterday afternoon, and the sports proved very interesting for the spectators. The attendance was about one thousand. Toronto succeeded in securing the championship with McGill second, and Queen's third. The standing in regard to points, in the various events, was as follows: Toronto, 60; McGill, 36; Queen's, 114. All the events were well contested, and the good work was loudly applauded. The weather could not have been better, and the track was in fine condition.

Three records were broken. In the pole vaulting, R. A. Donahue, of McGill, beat his own record of 10 feet, by 2 1/2 inches; in throwing the sixteen-pound hammer, R. W. Frank, Toronto, beat the record of H. N. MacKinnon, of Queen's, 112 feet 2 inches, by 4 feet 5 inches. In putting the sixteen-pound shot, H. N. MacKinnon, of Queen's, beat his own record of 38 feet 4 inches by 1 1/2 inches.

Queen's only figured in the scoring in three events, the pole vaulting, throwing the sixteen-pound hammer, and putting the sixteen-pound shot, securing one first and two seconds. Five points were awarded for first, three for second, and one for third.

The officers gave good satisfaction, and everything ran along smoothly, with no dispute of a serious nature. McGill and Queen's entered a protest against having C. H. Ashley, a professional trainer, connected with the Toronto Y.M.C.A., as one of the track judges, and Mr. Ashley was replaced by H. S. Sprague.

One hour and a quarter was taken up with the pole vaulting, as the competition in this was very keen. As a result the other events following were delayed, and the last two, the 120-yard hurdle race and the 440-yard race, were pulled off in the dark. The race was made very difficult on this account.

In the 100-yard run, the first event of the time was the same as the previous record, 10 2/5 seconds, and the half was run within three seconds of the record.

The broad jump did not equal the former record, but in the pole vault, the record was beaten by 2 1/2 inches. Queen's showed up well in this event, securing a second and a third, succeeded in holding down the old record of ten feet.

The following summary will show the result in the different events: 100 yards dash, seven entries—F. Halbhauz, Toronto, 10 2/5 secs.; P. Seibert, Toronto; M. J. Carney, McGill.

Half mile, seven entries—J. C. Kemp, McGill, 2:01 4/5 min.; L. A. Wright, Toronto; H. T. Logan, McGill.

Broad jump, eight entries—R. E. Powell, McGill, 10 feet 7 inches; H. C. Davis, Toronto; B. W. Frank, Toronto.

Pole vault, six entries—R. A. Donahue, McGill, 10 feet 2 1/2 inches, 2 1/2 inches over previous record; D. E. Foster, Queen's; W. Laflamme, Toronto, and J. B. Saint, Queen's.

Putting 16 lb. shot, six entries—R. W. Frank, Toronto, 116 feet 7 inches, some 4 feet 5 inches over previous record; H. N. MacKinnon, Queen's; A. D. W. Kay, Toronto.

High jump, seven entries—O. S. Waugh, McGill, 5 feet 5 inches; H. C. Davis, Toronto, 5 feet 5 inches; H. N. MacKinnon, Queen's, 38 feet 5 1/2 inches, some 1 1/2 inches above previous record; A. D. W. Kay, Toronto; R. W. Frank, Toronto.

Two Lives Lost by Collision Near Regina.

Moose Jaw Local and Freight Crash Together Head on—Clerk Emsley Seriously Hurt—Someone Blundered.

Regina, Nov. 1.—As a result of a head-on collision between the east-bound Moose Jaw local and a west-bound freight on the Canadian Pacific railway N. J. Robinson, express messenger, of Winnipeg, and Fireman Charles Britt were instantly killed and many were seriously injured, with dozens of people badly shaken up. The wreck occurred four miles east of Regina, on the main line, at 7:54 o'clock Wednesday morning. The eastbound local, running a few minutes late, crashed into the westbound freight. The two engines were driven through each other to the piston heads, and the tenders were lifted clear of the rails. Baggage and express cars were badly smashed up, the former being thrown from the rails and the latter completely telescoping the tender of the passenger engine.

A. E. Emsley, Winnipeg, mail clerk, was seriously hurt. The dead men are Charles Britt, fireman of engine No. 479, pulling the express train, and N. J. Robinson, of Winnipeg, express messenger. Robinson died before he was removed from the car to be taken to the hospital. He is a married man with two children and well known here and in Winnipeg.

Fireman Britt was a young Englishman and had been employed by the C.P.R. since coming to Canada four years ago. Engineer Hinchey, who was terribly shaken and cut, formerly ran out of Ignace, Ont. He was one of the oldest drivers on the road.

Napanee Lad In It.
Napanee, Nov. 1.—Word was received Wednesday, that Seaborn Emsley, son of Rev. and Mrs. W. H. Emsley, Napanee, was injured in a wreck on the C.P.R. mail line near Regina. Emsley, mail clerk, was badly scalded and bruised, but his recovery is certain.

MANITOBA'S BOUNDARIES.
Extension Will Add 200,000 Square Miles, Says M.P.
Winnipeg, Nov. 1.—S. J. Jackson, M.P. for Selkirk, announces that the boundaries of Manitoba, which have so long been a bone of contention in the political arena, will be extended along the eastern border of Saskatchewan to the sixtieth parallel, then eastward to Hudson Bay, and southward to York Factory and the Nelson river. Under this extension Manitoba will have 200,000 square miles added to her area.

VON MOLTKE WILL APPEAL.
Prince Philip Zu Eulenberg Will Leave Germany.
Berlin, Nov. 1.—Counsel for Count Von Moltke states that he will appeal from the judgment rendered in the action against Maximilian Harden, editor of the Zukunft, for defamation of character. The Tageblatt says that Prince Philip Zu Eulenberg, whose name is prominently connected with the scandal which brought about the suit against Harden, will leave Germany and that he will probably reside in Egypt or Tunis.

Died In A Police Cell.
Regina, Sask., Nov. 1.—John Linton, formerly employed at the Rand mines, South Africa, died in the police cells at Moosejaw, from alcoholic poisoning. He was found at the C.P.R. depot, helplessly drunk, and was taken to the police cells, where he died. The coroner suspected poisoning from wood alcohol and an inquest will be held.

Robbed And Killed.

STATE OWNED LINES

To Transmit Electricity From Niagara Falls to Western Ontario.

Toronto, Nov. 1.—As to the question of transmission, there is no longer any doubt that the Ontario government has decided upon government-owned lines. The building of them will not be undertaken of course until the municipalities have decided their course by vote at the next municipal elections. In the event of the various votes showing the acceptance by the municipalities of the formal contracts with the commission, work on transmission lines would be started almost immediately.

Work on the surveys of such of the lines as would serve the municipalities of the western union that have applied to the commission for power is almost completed. The general basis of these surveys, it is understood, contemplates a loop line from Hamilton, which city will soon be furnished with the estimated cost of distributing the power. It has asked the commission to supply West to London, the northern portion of the loop will include Guelph, Galt, Stratford and St. Mary's, and Woodstock, Brantford and other places will be included in the southern part. Between Hamilton and the Falls there will be a duplicate line, and from Hamilton to Toronto a special line. This loop combination it is claimed, will do away with danger of breakdown of the service at any of the points named.

The framing of the formal agreement with the Ontario Power company, for the supply of power at the Falls is progressing satisfactorily, and its conclusion, it is thought, will not be subject to much delay.

CAN GET NO DETAILS.
The Russian Government Not Providing Relief.
St. Petersburg, Nov. 1.—The Russian government is taking no steps to send a relief expedition to Karatagh, the scene of the recent landslide. To do so would be contrary to the Russian policy of non-interference in the international affairs of Bokhara, and it would involve a journey of over five hundred miles through the mountains from the nearest Russian point. It is not known here what steps the Bokhara government is taking to send in relief nor have newspaper correspondents at Samarokand, Tashkend, Bokhara and Kokhand been able as yet to supply further details of the disaster.

THE CUSTOMS REVENUE.
Quarter of a Million Increase For Month.
Ottawa, Nov. 1.—The customs receipts of the Dominion for the current month are more than a quarter of a million greater than for October last year. For the seven months of the current year the increase is over six millions and a half. The receipts for October were \$1,350,000, an increase of \$273,500, and for the seven months the receipts were \$36,342,766 an increase of \$6,691,790. The revenue from all sources for the year will be over the one hundred million mark.

TRAINED NURSE
Writes a Letter to the People.
"To Whom it May Concern: I am a trained nurse of nine years' experience in hospitals and private cases, and for the benefit of the people of Kingston I wish you would publish my experience with the cod liver preparation, Vinol."

"I was completely prostrated from overwork. I had no appetite, could not sleep, my kidneys, liver and bowels became inactive, and as I grew weaker I could not retain either medicine or food on my stomach, and raised blood. The doctors said my condition was critical and I would probably die."

"As I had seen Vinol prescribed for my patients with such remarkable results, I decided to try it. After the first bottle I began to improve. I continued its use, and soon began to sleep and eat well; every organ in my body was strengthened and became normal, until it seemed good to be alive, and I was restored to perfect health and strength."

"I advise all my patients who need strength, rich, red blood, and flesh tissue to take Vinol, as it is so far superior to old-fashioned cod liver oil, emulsions, or other tonics." Elizabeth W. Cremond, Trained Nurse, Boston, Mass.
In Kingston we sell Vinol on a positive guarantee to return money if it fails. George W. Mahood, Druggist, Kingston, Ont.
