stopped the fight.

Robert North said that he was with Potter on the night in question. He saw the fight and did his best have it stopped. He asked Johnston to take Aiken away, but "Johnston said "No, let the fight go on." Another young man told of having heard Aiken swear at Potter. He also saw Johnston hand Aiken a cane just before the fight started.

When called Potter said that Aiken rushed at him and he grabbed hold of Aiken and threw him on the ground. Witness saw Johnston hand Aiken a cane. A second time he had to defend himself against the attack of Aiken.

The magistrate found Aiken guilty of assault and fined him \$5 and costs. or twenty days. The charge against Both Aiken and Johnston are mem bers of the battery.

Two contractors were summoned, charged with neglecting to secure permit from the city engineer for making alterations to buildings, as required by by-law. As the necessary permits have been taken out the charges were not pressed.

The city engineer said many cases of this kind had occurred, and these charges had been laid to show the contractors that they must "toe the mark." Should there be other cases they would be pushed to the

In striking the water rates, according to assessment, the people living in houses taxed at \$2,000 to \$4,000 pay the highest figures. A man in a \$2,000 house pays \$10 gross; a man in a \$9,000 house pays \$18.75 gross, and in a \$10,000 house \$19.75 gross. The rate on the high-priced house is about double that of a \$2,000 house ! It looks as if the rates should be read justed to relieve the burdens put on the \$2,000 to \$4,000 occupants. Bibby's for nobby 50c. neckwear.

The Teddy Bear costume used by Queen's students at the Grand Opera House last evening was loaned by George Mills & Co. G. A. McGowan donated the box of cigars, presented to Arthur Deagon. "Open all day Sunday," Gibson's Red Cross drug store. Remember this

To make a minimum rate, to give a general reduction of ten per cent., and to cut off the bath rate, would be fair to all water consumers. All classes would get an equitable benefit. Less than six weeks to Christmas now. If you haven't begun to buy
