HOUSE IN TREETOP.

A farmer living in Wrentham, is lowered. Mass., a small village near Providence, R.I., has built a house in the tops of two adand will spend the winter there. The man is thirty-five years old and has been consumptive for

several years. The "house" is about 9x6 with a door and two windows. which will be closed only to keep out snow and rain. Access is had by means of a rope ladder which, Robinson Crusoelike, will be drawn up each

Medicine is not of much use to cure consumption. Fresh air and clean living are the essential forces to combat the dread white scourge. Every precaution should be employed to prevent the germs from settling on the lungs, and coughs and colds should not be neglected. To break up a cold quickly and cure any cough that is curable, mix a half ounce Virgin Oil of Pine with two ounces of glycerine and a half pint of good whiskey. Shake well and take a teaspoonful every four hours. Five ounces of tincture Cinchona compound can be used in-

stead of whiskey with the same mixture will usually break up a cold over night. Care the genuine Virgin Oil of Pine, which is prepared in the laboratories of the Leach Chemical better to purchase the different ingredients separately and . mix
