BEER* BENEFITS THE WHOLE BODY
(NO OTHER FOOD-BEVERAGE DOES THAT MUCH)

NOT six people in a thousand (and those six have either diabetes or gouty tendencies) can get anything but real good from the use of good beer with their meals. Because that kind of beer (and no other kind is brewed in Ontario) benefits the whole body of the normal adult,—enriches the blood, vitalizes the stomach, makes kidneys and liver active, builds flesh and betters nerves.

Beer Is Not A Mere Tonic

Good beer, drank with meals and at bedtime, is not merely a tonic—for a tonic simply gets one part of the system to work better for a while, by stimulating its activity, while beer, rightly used, does the whole system permanent good.

Beer Builds Up Thin Folks

That is why good beer is such a notable flesh-builder, and why it is so effective in changing the too-white blood of anemic people into the red, strong, healthy blood of the vigorous. It has qualities that are very valuable to women, especially. It is distinctly NOT an intoxicant, nor a hurtful stimulant. Ask your doctor if beer wouldn't be good for you as an item of daily diet.

* BEER is a term which covers lager, ale, porter and stout; and, in the practice of Ontario brewers, implies beverages made under most hygienic conditions from Ontario barley (the best in the world) malt, hops, and pure water.

Just a Minute or Two to Remove Grates

When the Pandora grates require removing don't send for the plumber. His kit of tools are not needed to take the stove to pieces in order to get out the grates, as was the case with your former ranges. The Pandora is not constructed in the usual manner. The removal of a button with a hammer (many just grates to be easily drawn out, as shown. Just a minute or two to do

trick.
No plumber's mess to clean up. No bill to pay.
Notice, too, that the Pandora grates are stronger, will last longer, will last longer. Less Spacing between grates. Less Spacing between grates. The Pandora triple grates are longer than the ordinary double pay out for renewals.
triple, and are much heavier, longer than the ordinary double pay out for renewals.
The Pandora triple grates are narrower than between ordinary double grates, which prevents good fuel slipping down with the ashes. Sifting Pandora ashes is wasted effort.
And that simple gearing arrangement on the Pandora makes the "rocking down" of the ashes just play compared to the heavy "shaking" necessary with ordinary ranges.
If your local dealer does not sell the Pandora write direct to us for free booklet.

American Renner Does Not Like Owner's Order—Royalties in London Cause Americans There Much Excitement—Falling Over Each Other.

London, Nov. 16.—Society in London has been tumbling over itself to obtain some sort of recognition from King Edward during the period of the accumulative royal visits. Many years have passed, since so many crowned heads slept under one English roof, and the fortunate ones who have been invited to meet the royal guests are the objects of undivided envy.

BADLY RUN DOWN.
Pink Pills Came to Rescue After Doctors Failed.

The life of any constant traveller is always a hard one, but those whose work compel them to take long tiresome drives over rough roads, exposed to the cold of winter, are in constant danger of losing their health. The extreme heat of summer or the piercing winds of winter sap their strength, the kidneys become diseased or rheumatism sets in. What is needed to withstand this hardship is rich red blood—the pure blood that Dr. Williams' Pink Pills alone can make.

VIENNA MUNICIPAL GAS.

Vienna, Nov. 16.—The city council of Vienna has voted a sum of \$7,250,000 for the extension of the municipal gas works building programme. The work (says Reuter) includes the erection of an entirely new plant in 1911, when the remaining contracts of the British company, known as the Imperial and Continental Gas Association, will expire.

She Patiently Bore Disgrace
A Sad letter from a lady whose Husband was Dissipated.

How She Cured Him with a Secret Remedy.

"I had for years patiently borne the disgrace, suffering misery and indignities due to my husband's drinking habits. Hearing of your marvellous remedy for the cure of drunkenness, which I could give my husband secretly, I decided to try it. I procured a package and mixed it in his food and coffee, and, as the remedy was odorless and tasteless, he did not know what it was. So quietly relieved his craving for liquor. He soon began to pick up flesh, his appetite for solid food returned, he stuck to his work regularly, and we may say a happy home. After he was completely cured I told him what I had done, when he acknowledged that it had been his saving, as he had not the resolution to break out of his own slavery. I hereby advise all women afflicted as I was to give your remedy a trial."
