BEER* IS GOOD TO ENRICH THE BLOOD WHAT

DEOPLE who drink good beer with their meals can't be aenemic-thin-blooded.

Because beer, so drank, actually supplies the food elements that make the blood rich. Also beer assists the stomach in getting all the good possible out of all the food that enters it.

Put aside prejudice and learn just how good for almost every adult good beer really is.

"BRICK'S TASTELESS"

What it is

What it does

It is an extract of fresh cod livers, containing all the virtues of pure Cod Liver Oil without the nauseous grease, combined with Phosphorus in the form of the Compound Syrup of Hypopho phites, nutritious Extract of Malt and the Fluid Extract of Wild Cherry Bark.

It will promptly relieve, and if its use is co tinued, permanently cure chronic bronchitis, all pulmonary affections, croup, hoarseness, nervous disorders due to an exhausted condition of th system, prostration following fevers, debility at change of life, or constitutional weakness at any age, and all blood disorders.

We positively guarantee "Brick's Tasteless to do exactly what we claim it will do as printed on the label of the bottle, or any advertising matter, and every druggist who sells "Brick's Tasteless" is authorized to refund to his custo er the full purchase price if one bottle does no show a decided improvement, which improve ment will result in a complete cure if addition

bottles are taken. We therefore request you to try a bottle of "Brick's Tasteless" on our recommendation, and if no improvement is shown after taking it, return the empty bottle to the druggist from whom you purchased it and he will refund your money. Can we be fairer?

Two Sizes -8 ounce bottle 50c; 20 ounce bottle \$1.00

STOVES! STOVES!

The "HAPPY HOME" range still holds its popularity as one of the most economical ranges made.. It will bake perfectly with less fuel than any other range on the market.

We also carry a fine line of Steel Ranges. It will pay you to examine our stock before purchasing.
