Pe-ru-na Promptly Relieves Severe Cold and La Grippe.

Mr. T. Barnecott, West Aylmer, Ontario, Can., writes: "Last winter I was ill with pneumonia after having la grippe. I took Peruna for two months, when I became quite well, and I can say that any one can be cured by it in a reasonable time and at little exp Every time I take a cold, I take some Peruna, which makes me well again. "I also advised it for my daughter who was so ill with prostration that she could not follow her trade of dressmaking. A bottle of Peruna made such a change in her that she has been able to follow her business ever since. "I also induced a young lady, who was all rundown and confined to the house, to take Peruna, and after taking Peruna for three months she is able to follow her trade of tailoring.

"I can recommend Peruna for all such who are ill and require a tonic."

L weather of winter, there is an epi- catarrh remedy, a great deal of patience demie of catarrh.
