DEER' BENEFITS THE WHOLE BODY (NO OTHER FOOD-BEVERAGE DOES THAT MUCH)

OT six people in a thousand (and those six have either diabetes or gouty tendencies can get anything but real good from the use of good beer with their meals. Because that kind of beer (and no other kind is brewed in Ontario) benefits the whole body of the normal adult,-enriches the blood, vitalizes the stomach, makes kidneys and liver active, builds flesh and betters nerves.

Beer Is Not A Mere Tonic

Good beer, drank with meals and at bedtime, is not merely a tonic-for a tonic simply gets one part of the system to work better for a while, by stimulating its activity, while beer, rightly used, does the whole system permanent good.
