MOST EXCLUSIVE OF WOMEN'S SOCIETIES Scoul Cruiser Chester Cruiser South Dakoto Cruiser Colorado Man Only Sponsors of American Warships Eligible to Membership When the most exclusive women's society in the United States, now being organized, is fully launched upon its way, its happiest member, no doubt, will be the originator, a fair southern girl, Miss Mary Campbell, of Birmingham, Alta. Converged and act upon the suggestion. She had already written Miss Campbell as follows: "May we trust that these two ships— the Salem and the Birmingham—will long carry the Stars and Stripes and be emblematical of the friendship and love New Hampshire This new society of national extent of the North and the South." must of necessity be exclusive, since its Miss Campbell's suggestion to form an membership is to be confined to sponsors of American warships. Any woman, no matter what her station in life may be, who has, by invitation of the authorities, broken the bottle of wine and pronounced the word of christening as any war vessel, whether battleship, cruiser or torpedo boat, has started on its journey down the ways to the awaiting bosom of the water, is eligible to membership. But no one else. The projected Society of Naval Sponsors—that, perhaps, will be its name—is regarded with high favor by the authorities at Washington. Such a society, naval men say, will become an American Burke's Peerage for the fair sex. Admiral Dewey is one of the warmest p is to be confined to spon- association or society of sponsors of Am-

In the ranks of the new society will be daughters of governors, senators and congressmen, wives and descendants of naval officers, and many of the most beautiful women of the United States. When each war vessel of the modern navy was launched its sponsor was chosen on account of the social prominence of her family, its political importance, as well as her own position in the ranks of national beauties.
