KINGSTON, ONTARIO, WEDNESDAY, DECEMBER 4.

These Were the Features of Foster's Speech.

The Kind of Criticism of Conservatives Shown Up---Co-operation Asked in Seeking Clean Politics.

| vinces, conservative and liberal alike. Ottawa, Dec. 4.—"Sound and fury"
said Mr. Fielding of Mr. Foster's
speech of the night before in conMonday that Sir Wilfrid Laurier had tinuing the debate on the address in entered into a compact with Mr. Merreply to the speech from the throne.

The violence of Mr. Foster's speech, continued the finance committee, must would give Quebec a subsidy. Mr. have convinced every member of the Fielding assured the house that there opposition that he was in the wrong. was no such compact entered into, though the question of subsidies for net was the prime minister's own busi- all the provinces did come up. ness, certainly not a theme for opposition sympathy. He suggested that if a parallel for the selection of the recently appointed ministers were needed it would be found in the choice of Mr. Borden for the leadership in or Mr. Borden for the leadership in preference to such men as Mr. Foster, Mr. Monk or Mr. Bergeron. Sir Charles Hibbert Tupper, too! What about him? Mr. Fielding admitted that this was not a fair over a long list of conservative for the famous Gallagher and store it. After the present at morties to answer to the coming generations. It is a married Miss Cecil Clark the other members of the Chinese government, because of his attitude on the concessions granted to for the sake of coming generations. G. G. Easton, mayor of Fulham and the other members of the London water board the concessions granted to for the sake of coming generations. G. G. Easton, mayor of Fulham and the other members of the London water board the concessions granted to for the sake of coming generations. G. G. Easton, mayor of Fulham and the other members of the London water board to the concessions granted to for the sake of coming generations. G. G. Easton, mayor of Fulham and the other members of the Chinese government, because of his attitude on the concessions granted to for the sake of coming generations. The other members of the Chinese government, because of his best known books are "Soldiers of the concessions granted to for the sake of coming generations.

Mr. Davis married Miss Cecil Clark the other members of the Chinese government, because of his attitude on the concessions granted to for the sake of coming generations.

Mr. Davis married Miss Cecil Clark the other members of the Chinese government, because of his attitude on the concessions granted to for the sake of coming generations.

Mr. Davis married Miss Cecil Clark the other members of the Chinese government, because of his attitude on the concessions granted to for the sake of coming generations.

Mr. Davis married Miss Cecil Clark the other members of the Chinese government, because of his attitude on the concessions granted to for the concessions ing admitted that this was not a fair kind of criticism, but it was quite kind of criticism, but it was quite balance was about equal. Provided by the manager of the attention of the board; "At present," together pure became pure by natural balance was about equal. Provided balance was about equal.

Then some figures. Average con- would welcome action. It was regretservatike deficits in eleven years were table that many eminently respectable \$60,000,000; liberal surpluses in eleven men had been guilty of "foolish and years were \$93,000,000 in the aggre-improper and corrupt things," in mat- come that Miss Agnes Templeton, the gate.
