THE SPORT REVIEW

"MARTY" WALSH LIKELY TO PLAY IN OTTAWA.

Meetings of Rugby Reunions in Toronto—Kingston to Be in a Horse Racing Circuit This Winter.

Horace Gail, the Ottawa Capital lacrosse player, is said to have decided to play hockey at Pittsburg this season.

Another effort was made to organize a hockey club in connection with the 41st Regiment of Brockville, for the O.H.A. series, without success.

It is thirty-seven years since England held the world's championship in the fighting game, and at present she hasn't anything within hailing distance of the title.

A new stunt was pulled off at Kankakee, Ill., Monday. Six men, carrying 100 pound sacks of sand on their backs, went ten miles in an endurance test. These were forty-three starters.

Toronto Telegram: Longboat has decided that some for his mother is preferable to an education for himself. Which is further evidence that the big Indian's brains are not all in his legs.

A general meeting of the Interprovincial Rugby Football Union has been called for Saturday, December 21st, at Toronto. The constitution will be amended so as to allow for the board of governors. Don't be discouraged because everything has failed to heal your child until you have tried Zam-Buk. Zam-Buk is nature's healing balm, and quickly overcomes and removes all skin diseases. It is equally good for young and old.

For all skin diseases Zam-Buk is without equal. It cures ulcers, festering sores, ringworm, cuts, bruises, chapped hands, boils, eczema, etc. All stores and druggists sell Zam-Buk at 50 cents a box or post-paid from the Zam-Buk Co., Toronto, 3 boxes, \$1.25.

No One Responsible.

Paris, Dec. 5.—The ministry of war has investigated the loss of the military balloon La Patrie, and finds that no one was responsible.

Thought Baby Consumptive—A Letter to Anxious Mothers.

Written by Mrs. F. W. Kittle, of Kirkdale, E.C., who says: "My little four-year-old boy suffered since he was eighteen months old from a bad leg. I tried many salves and had doctors attend him, but none did him any good. The doctors told me it was in the blood, and he was in consumption. I only wish now I had had more faith in Zam-Buk, for it immediately healed the boy's leg. He is now four years old and looks far from being consumptive. He is now a strong, healthy boy, thanks to Zam-Buk. I hope this letter will help a good many anxious mothers."

Mothers take heart. Don't be discouraged because everything has failed to heal your child until you have tried Zam-Buk. Zam-Buk is nature's healing balm, and quickly overcomes and removes all skin diseases. It is equally good for young and old.

Recurring Headaches.

Do They Bother You?

You find life a miserable affair because you have headaches, but you have neither nausea nor are you weak. You know if you could only prevent headaches you would enjoy perfect health.

Such headaches indicate a general lowered condition, because they arise from a general decay of the nervous system.

This depressed condition of the nervous system has its origin in the reduction of the quality and quantity of the blood. The blood, in thinness, is reduced—it contains no nourishment.

The digestive organs are not supplying it with sufficient nutritive matter.

The result—nerve weakness, nerve debility, ill-health.

If you had used Ferronone you would know how powerfully all the digestive and assimilative functions of the body are stimulated.

Ferronone does more—it supplies all the elements that are essential to the rebuilding of the body—supplies the reconstructive forces that contribute to the formation of rich, red blood.

You see, Ferronone doesn't treat a symptom—it remedies a cause—and that's why our medical treatment will absolutely remove every vestige of recurring nervous headaches.

Nothing like Ferronone to build you up, to give the reserve of force, that happy health that contributes so much to happiness and contentment.

Ferronone will make you feel like new, try it—sold by all druggists in 50c boxes.
