A COUGH COLD IS DANGEROUS.

There are different kinds of colds, and various ways in which they affect different people. Some constitutions will throw off a light cold, while to others it will stick tenaciously. There is one kind-the kind accompanied by a cough, the kind that turns to bronchitis, the kind that ends in consumption - that should never be neg-

Many a life history would read different if, on the first appearance of a cough, it had been remedied with

Dr. Wood's Norway Pine Syrup.

Mrs. E. S. Akerly, Akerly, N.B., writes: "My little boy had such a bad cough he could not sleep at nights. I tried several remedies but nothing seemed to relieve him until I got Dr. Wood's Norway Pine Syrup. From the first few doses he commenced to improve, and when he had taken one bottle he was completely cured."

Be careful in purchasing to see that you get the genuine Dr. Wood's Norway Pine Syrup. Put up in a yellow wrapper, three pine trees the trade mark. Price 25 cts.
