utterly unfit for work. These are the sure signs of female irregularities

builds health and strength for all women who work and are weary. It creates the vitality that makes work easy. From the thousands of grateful letters written by working girls to Mrs. Pinkham we quote the following:

Dear Mrs. Pinkham :- Overwork and long hours at the office, together with a neglected cold, brought on a female trouble until finally I was unable to go to work. I tried change of scene and climate, but found that I did not regain my health. I then thought of a friend who had taken Lydia E. Pinkham's Vegetable Compound when her health was in the same condition that mine was, and straightway sent out for a bottle. I finished that and took two more before I really began to improve, but after that my recovery was very rapid. and when I had finished the sixth bottle I was well and able to go back to work again. I certainly think your medicine worthy of praise, and am indeed MLLE, ALMA ROBITAILLE, 78 rue St. Francois, Quebec, Que.

Oh, if Canadian girls who work would only realize that they have but one life to live, and make the most of their precious health and strength!

Mrs. Pinkham extends to every working girl who is in ill health a cordial invitation to write her for advice. Such letters are always kept
