PUT VAGRANTS TO WORK

On the New Stone Quarries the City is Buying. More accommodation for prisoners must very soon be provided in the

ly all who are likely to be sent there during the winter. Able-bodied men who are now posing as vagrants and seeking shelter at the police station "I am not going to say that a state | will have to be run out of the city as of anarchy will come te-day or to- soon as they come in. Kingston has enough of its own poor to keep without supplying the wants of worthless individuals who are coming here with the intention of getting a berth in the inil for the winter. Some men have been sleeping in the police cells should be ashamed of themselves, for there is no reason why they should not have put aside some money for a

needy period. As the city pays a big share of the jail expenses, there is no reason why the services of the prisoners should not be utilized for civic work as well as that around the court house premises. The board of works is purchasing some quarry lots so that there may be a good supply of stone for the roads next spring. The stone Ald, Gaskin might arrange to get the services of a number of the prisoners who are being kept at the expense the city. Then every able-bodied man "On the other hand, I do not blame who applies for shelter at the police quisite platino parchment and photo- these extremists.
