# Decent Bar?

In every community where local option has been tried, drunkenness has increased. In one Ontario town arrests for drunkenness have increased 80 per cent. under local option.

Naturally. For when men drink by stealth, hidden from the eyes of their community, they drink far more than they would (or would be allowed to) under license. Their self. respect, and the law, keeps them straight. Local option hides and increases intemperance-never checks it.

> Local Option Makes Drunkards
