Local Option Makes Drunkards

In every community where local option has been tried, drunkenness has increased. In one Ontario town arrests for drunkenness have increased 80 per cent. under local option.

Local Option Makes Drunkards

Naturally, for when men drink by stealth, hidden from the eyes of their community, they drink far more than they would (or would be allowed to) under license. Their self-respect, and the law, keeps them straight. Local option hides and increases intemperance—never checks it.

SHAUGHNESSY IS MUM

REGARDING LATE INTERESTING RAILWAY GOSSIP.

Dominion Steel Co. Buys Cow Bay Coal Area—Enquiry Into Express Company Matters Adjourned Till the New Year. Montreal, Dec. 12.—Sir Thomas Shaughnessy, president of the C.P.R., declined, absolutely, to discuss the report that the C.P.R. was negotiating with the New York, New Haven & Hartford railway for a controlling interest in the Boston and Maine railway, when the matter was brought to his notice this morning.

ESTIMATES DOWN.

Call For a Total Appropriation of \$119,237,091. Ottawa, Dec. 12.—Hon. Mr. Fielding laid upon the table of the house the estimates for the fiscal year ending March 31st, 1909, calling for a total appropriation, \$119,237,091, of which \$76,571,471, is chargeable to consolidated fund. There is a total increase in the appropriation of \$2,752,314.

Must Not Be Applied Before Conviction.

New York, Dec. 12.—Justice Burr, of the New York state supreme court, has decided that the New York police have no right to take photographs and measurements of a man under arrest, but not convicted. The decision was given in the case of William Gow, director of the Borough bank, of Brooklyn, who was so photographed and measured following his arrest in Brooklyn. The justice declined to order the police to destroy the records they had made, but informed Gow that he might apply to the grand jury to indict the police.

KILLED THE MAN.

A Metallurgist Stoned to Death in Mexico. Denver, Col., Dec. 12.—A William Robertson Boggs, one of the foremost metallurgists of the country, was stoned to death, near Popia, Mexico, by a gang of Mexican miners, in his employ. On December 1st, because of the financial stringency, Boggs was unable to pay the wages. Fifteen men have been arrested for the murder.

Point Road Points.

Point Road, Dec. 12.—Farmers have turned out their sheep and young cattle to range the fields during the day time, which will mean a considerable saving to hay and other food. Some of our young sports have enjoyed a shoot on the bay before the rain came. Several large droves of cattle passed through here during the last few days en route for the Montreal market; local butchers are reaping a good fortune this year. T. Doyle and F. McGrath had their hen roosts cleaned up a few nights ago. G. Crozier lost a very fine colt a few days ago, from influenza. Mr. and Mrs. R. Patterson are wearing smiles, it's a boy. H. Murray has opened up a business in the city, and his many friends wish him every success. Death has called away one of our most highly respected citizens in the person of Mrs. James Hamilton, who passed peacefully away a few days ago, after a lingering illness of several weeks. The funeral left the family home last Wednesday to St. Mark's church, where the last rites of the church were solemnized by Rev. Dr. Nimmo, and thence to Catarqui vault to await interment. She leaves besides her husband, one daughter to mourn her loss, which is a sad one to the community.

Will Have a School.

Ottawa, Dec. 12.—Military orders, to-day, state that the establishment of a provisional school of instruction for infantry officers at Goderich, Ont., is authorized, to commence on the 7th proximo, and to continue for a period not exceeding six weeks.
