DON'T NEGLECT YOUR SKIN Zam-Buk Unequaled as a Skin Cure.

About 80 per cent of prevalent skin disease is due to neglect and the remaining 20 per cent to some weakness or infection. The skin, in fact, rules the health.

Neglected soiled caused months of agony—spent dollars seeking a cure—One box of Zam-Buk cured.

Below we give the testimony of a lady who, if she had known of Zam-Buk earlier, might have saved nine weeks of painful agony.

Zam-Buk is so refined that it soaks easily through the skin to the seat of disease and exerts a wholesome influence upon the rest of the body.
