THE PARAGRAPH PULPIT.

Unitarian. REV. C. W. CASSON.

The Greater Jesus. Let us see in Jesus a type of the true man, sent to his work, and moved to perform it as we are swayed by human love and thrilled by the eternal spirit as all good souls have been. We shall not lower him from his high place by so doing, or make him less worthy of our regard and reverence. Rather he will become a greater power over us. His faithfulness will more sharply rebuke our unfaithfulness, his sympathy with man will deepen ours; his trust in God will recreate ours so that we too shall be stayed with the peace of the eternal—H. C. DeLong.

Address, Rev. C. W. Casson, at 25 Beacon street, Boston, Mass., for free literature.
