The Bachelors' Ball, Literary Events, Travels to Japan, Private Parties—A Melange of Private Parties—A Melange of joyable.

Newburgh, Jan. 8.—Though the municipal campaign had been quietly conducted, polling day developed a very lively contest and a large vote was polled. Mr. Ryan has been returned reeve; unopposed, and the old council were returned to serve with him, the vote standing: Dr. Beaman, 83; Adams, 77; Fullerton, 70; Sutton, 67; Aylesworth, 66; Simpkins, 59. The first four named are councillors for 1908.

The funeral service of the late Stephen Weese was held at the Methodist church on Thursday. Rev. C. S. Thompson, Selby, conducted the service. Rev. Mr. Duke, pastor of the church, and former pastor of the deceased, also spoke briefly in appreciation of the sterling qualities of Mr. Weese, emphasizing especially his open-hearted hospitality. The remains were deposited in the vault here, with Masonic ceremonies. A large number of the brethren turned out to pay their last respects.

L. E. Percy, Brantford, was in town a few days this week. While here he negotiated a sale to George Walker of his property on Main street, consisting of the premises now occupied by the post office and the feed store-room occupied by Mr. Ryan. Mr. Walker had intended building in the spring, on the lot south of the drug store, but this lot has now been taken over by Mr. Ryan. The schools reopened on Monday with an addition of about a dozen to the high school register, and with Miss Elsie Moore in charge of the junior department of the public school. Form III of the high school now numbers fifty-nine.

Miss J. W. Courtney was assisted in her post-nuptial reception by Mrs. Pomeroy, of this place, and Mrs. A. C. Baker, Naperville.

Newburgh's young bachelors scored a success in their first annual ball on Monday night. About seventy-five attended and a very enjoyable time is reported. Next Tuesday night the I.O.W.F. will hold their annual election of officers in the Masonic hall, to be followed by an oyster supper.

Our new school teachers left this week for their schools, Miss Margaret Mitchell to Sharp's Corners, in Richmond; Miss Gertrude Clancy to the Thompson school; Miss Norma Denyes to the Bell school, near Tamworth, and Reggie Martin to Mount Pleasant. A Bachelor's Ball.

Mississippi, Jan. 7.—The bachelors' ball in Minto Hall, on the 27th ult., was a decided success. The Sunday school Christmas tree, was a most enjoyable event. M. W. Storms, who had had our school pupils under training for the past ten years, left us to reside at Wilton, and take charge of the school there. His departure caused general regret. The house vacated by him has been occupied by James Hanahan, who will open an up-to-date boarding house. W. R. Allan and wife are at Elphin, taking stock in the store there. William Steele is home from the north. Our agent, E. Walker, is away on his holidays, and is being relieved by F. Truesdale, Vernon. F. L. Millar has been on the sick list for some days. D. McKinnon visited the city, over Sunday.

Sunbury Notes.

Sunbury, Jan. 8.—The township council was, this year, elected by acclamation, and to-day the village was the scene of much quietness. The services on Sunday were well attended, all ministers giving eloquent discourses and very impressive throughout. R. Smith and wife have become village residents. A number of young couples, from adjacent towns, attended the village church services on Sunday evening. A few farmers report feed none too plenty, while some others are disposing of a few loads. The presbyterians will hold their prayer meeting, this week, at the home of R. Kells, Ida Hill.

Try Nature's Cure
for Bronchitis.

How can anything taken into the stomach ever hope to cure the bronchial tubes?

Rank nonsense, says the physician to use cough mixtures, tablets or atomizers.

Better send healing medication into the tiny air cells of the bronchial tubes.

How can it be done?

By Catarrhozone, an antiseptic vapor that goes everywhere the air you breathe goes, treats the bronchial tubes with Balsams and Essences so healing, so soothing and demulcent that all soreness and cough fade right away.

So health-laden and powerful healing is Catarrhozone that cure is guaranteed for every type of catarrh, throat trouble and bronchitis. Better try Catarrhozone yourself.

Large Catarrhozone sufficient for two months' treatment, price \$1; small (trial) size, 25c, all dealers or N. C. Polson & Co., Hartford, Conn., U.S.A., and Kingston, Ont.

What Is Love?

What is love?—the thing we all make

such a fuss about and so rarely feel

and what does it matter after all.

Is it just this—hearing lifted up into

another world and breathing purer air

and thinking better thoughts? Or is

it a strange, sweet sort of pain, that

is only still when some one—only

one—person is near?

Or is it to see

everything in a fresh light, a sort of

fairy glamour that turns common

things and hard things to magic splendor and beauty? Or is it to be

bear, or to feel there is nothing you cannot bear for one's sake? Is it a great, vague,

sweet terror, a wild and yet delight-

ed unrest? Is it to feel your heart

beats thick and quick at the sound

of a voice or a step, a name al-

most, to feel safe, quite safe and

sheltered, near one, and happy at

the very thought of him? Or is it

to hate one's own pettiness and frivo-

lous self and want to be better for

his sake? Is that what you call

love?—Maxwell Gray.
