

Synopsis of Canadian North-west HOMESTEAD REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the North-West Provinces, excepting 8 and 26, not reserved, may be homesteaded by any person the sole head of a family, or male over 18 years of age, to the extent of one-quarter section, of 160 acres, more or less.

WATCH THE STOMACH.

Have you any of these symptoms? If you have either variable appetite, a faint gnawing feeling as the pit of the stomach, unexplained loss of weight, a loss of food, a painful lead at the pit of the stomach, shooting sensations in the throat, headache, and dizziness of spirits, are you gloomy and miserable?

THEN YOU ARE A BYSPEPTIC.

Keep regular habits, abstain stimulants, tone the digestive powers and regulate the stomach and bowels with Burdock Blood Bitters. It has cured the worst forms of dyspepsia, even of twenty-five years duration.

BEAVER FLOUR

is a "bread flour" and a "pastry flour." As good for one as for the other—and THE BEST for both.

CLEARING SALE OF Leather Goods

Here's an opportunity for everyone, you should not let this grand clearance slip. We have decided to clear our entire stock of leather goods.

Kinnear & d'Esterre

Are you looking for something that will give both pleasure and comfort? She will appreciate a load of COAL FROM P. WALSH'S YARD, Barrack Street.

Cough Caution

Never, positively never poison your lungs. If you cough—run from a simple cold only—you should always use, and never be troubled by, cough tubes. Don't blindly suppress it with a cough medicine.

Dr. Shoop's Cough Cure

"ALL DEALERS"

COAL!

The sudden changes in weather ought to suggest the wisdom of putting in some good coal. We sell good coal. It's the kind that sends out the most heat, and makes the home comfortable. It's the best money can buy, and there is none better mined.
