

### DOCTOR'S ORDER WAS: CUTICURA

For a Bad Case of Eczema on Child—Suffered for Three Months—Disease Reached a Fearful Stage—Pain and Itching were Terrible.

#### CURED AFTER OTHER PRESCRIPTIONS FAILED

"When I was small I was troubled with eczema for about three months. It was all over my face and covered nearly all of my body. I reached such a stage that it was just a large scab all over, and the pain and itching were terrible. I doctored with an able physician for some time and was then advised by him to use the Cuticura Remedies which I did and I was entirely cured. I have not been bothered with it since. I used Cuticura Soap and Cuticura Ointment but do not know exactly how much was used to complete the cure. I can safely say that Cuticura did a lot for me. Miss Annie Wilson, North Branch, Mich., Oct. 20, 1907."

### ITCHING CURED

With Cuticura Remedies in Three Days After Six Months of Suffering.

"I suffered fully six months. The trouble began in my arms in little red spots and it was not long before it was all over my body. It was a terrible night and day during the six months. I did not get a good night's sleep. I doctored for three or four months and spent at least twenty dollars trying to find a cure but none could be found. Then I saw the Cuticura Remedies advertised and the next day I purchased some for seventy-five cents at the drug store. I used them and I was relieved of the itching in three days, and I have never had a sign of any skin disease since. The Cuticura Remedies are the only remedies for skin diseases. They have cured me and they will cure others in the same way. J. W. Bloom, R. E. Telegrapher, Howell, Mich., Nov. 20 and Dec. 29, 1906."

DEATH ROBS WOMAN OF LOVING SWEETHEART.

Pittsburg Woman Engaged for the Second Time to Be Wed. is Again in Mourning.

Pittsburg, Pa., Jan. 15.—For the second time within three years Miss Mary C. Trimble, daughter of John Trimble, a well known justice of the peace, followed a fiancé to the grave this afternoon when Frank D. Creech, of Aspinwall, was laid away. They were to have been married next week, and the wedding clothes which Miss Trimble has prepared on two different occasions have been again laid aside for deep mourning.

Three years ago Miss Trimble was engaged to be married to Walter McKee. The date of the wedding had been set, when Miss McKee's sister, Sylvia, was taken ill and died, and the wedding had to be postponed. Another date was set, but two weeks before the day arrived McKee was taken ill with pneumonia and died on the day they were to have been wed.

Frank Creech was the most intimate friend of McKee, and after a year of mourning had passed he began to court Miss Trimble. Finally they became engaged, and the wedding ceremony was to have been performed next week. Ten days ago Creech was taken ill with typhoid fever, which during the past few days developed into pneumonia, and he died late Friday night. Miss Trimble is prostrated.

### PE-RU-NA CHEERFULLY RECOMMENDED FOR COLDS AND CATARRH.

A Prominent Canadian Gives His Experience With the World-Famous Remedy For Catarrh.

Chronic Catarrh Always Begins With An Ordinary Cold.

So Says Dr. Hartman, the Greatest Living Authority On Catarrhal Diseases.

THE first effect of a cold is a thickening of the mucous membranes of the nose and throat.

Under such circumstances, the congestion is liable to become chronic, producing a condition of the mucous membrane known as catarrh. Catarrh lasts an indefinite time. Catarrh is essentially a chronic condition and does not leave except something is done to relieve it.

What should be done when a person catches cold is to take a few doses of Peruna.

Taken at the onset, Peruna would break up the cold and prevent all the train of symptoms which usually follow.

But, even in cases where the cold has been neglected and hoarseness or a cough has developed, Peruna can be relied upon to give prompt and permanent relief.

The frequency of coughs and colds in the winter makes Peruna a popular remedy for these ailments.

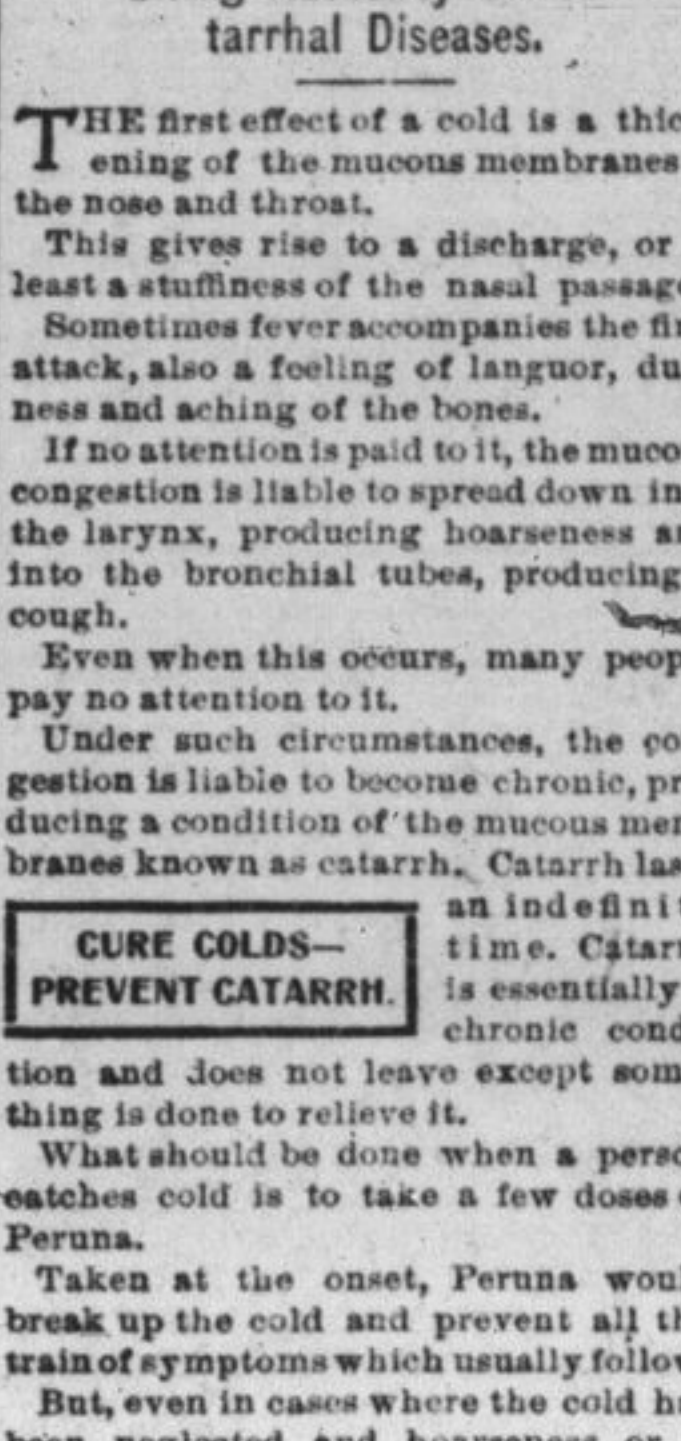

A number of the best people of various countries have given testimonials as to the value of Peruna in such cases.

Followed Dr. Hartman's Advice—Restored to Health.

Mrs. Samuelle Vignaux, Avro on Bond, Isle de La Magdeline, Canada, writes: "I write to tell you that I am perfectly well. I took only three bottles of your Peruna according to your advice and the directions in your book and it restored my health."

If Peruna had no other medicinal value than the promptness with which it relieves common colds, it would be well worth for any family to keep it in the house constantly.

Ask Your Druggist for Free Peruna Almanac for 1908

C. H. PARKER.

"I had several attacks of colds from time to time and finally a severe attack developed into catarrh."

"I was advised to use your celebrated catarrh remedy, and after taking three bottles I find myself completely cured, and I no longer suffer from catarrh or colds."

"I can cheerfully recommend Peruna for colds and catarrh."

If Peruna had no other medicinal value than the promptness with which it relieves common colds, it would be well worth for any family to keep it in the house constantly.
