THE 5 P.M. EDITION THE LIGHT COMMITTEE

RECEIVED AUDITOR'S REPORT ON STOCK.

There is Very Little Discrepancy in City Engineer's Reports on New Gas Plant—J. M. Campbell Also Asked For a Report.

The city light and power committee met yesterday afternoon with Ald. Chown (chairman), Chown, Elliott, Couper, Angrove and McConn in attendance.

Thomas D. Minnes, appointed to audit the light plant stock sheets, reported that he had done so with the assistance of Robert Crawford as an expert in estimating the amount of coal on hand. The difference between the stock sheets of Dec. 1st and the audit three weeks later was \$288.90 in generator coal, \$156.54 in steam coal and \$124.08 in gas oil.

In examining the electrical stock Mr. Minnes had the assistance of Mr. Burke, electrician, and found the discrepancy to be only \$10.63. It must be remembered, however, that stock has been constantly used since Dec. 31st, that would account for most of the discrepancy.

Mr. Minnes stated that the stock system in force at the plant was an excellent one. It was most carefully carried out, and it was very rarely that a stock-taking would be found which showed such a slight difference on re-taking. He advised writing off the stock a super heater and attachments valued at \$126.75, as they are useless for anything but the scrap heap.

This report was referred to a sub-committee consisting of the chairman and Ald. Elliott and Chown. City Engineer Beckwith reported as follows concerning the new gas tank, as requested by the committee:

"At this time of the year it is necessary to keep a continuous flow of hot water into the tank to keep the water from freezing between the iron tank and the concrete wall.

"The freezing up of the ground around the concrete wall would not allow a leakage to any great extent, and any leakage there is will not show until the spring.

"I cannot report what has been done to the tank since the wooden frames were taken down by the contractor, as Mr. Campbell gave all instructions in connection with the work. All I was asked to do in connection with the work was to measure up the work and issue certificates for payments according to the contract, and to lay out the necessary angles with the transit.

On motion of Ald. Elliott it was decided to request Mr. Campbell to furnish the committee with a report in writing as to the gas tank defects and as to remedy.

Ald. Chown moved that Superintendent Folger report to the committee upon the installation of all the extensions. This motion was adopted. The question of a central heating plant for the city was discussed, and on motion of Ald. Chown it was decided to recommend to council against the installation of such a plant by the city itself, as it is not ready at the present time to take up such a matter.

Just when we all thought it was a nice warm winter and the spring poets were beginning to sing, somebody dug out Weather Bureau records and reported a cold winter, worse than the last one. Some people are persistently active with statistics, anyway.

The railways have now a great many freight cars standing idle in the local yards, as this is the slackest time of the year with the companies. A short time ago, when the rush was on in the shipment of grain from the west, the car shortage was severely felt in all quarters.

Both electric sweepers were out part of the night getting the snow off the street railway tracks. The wind drifted the snow quite deep in many places but it was light as down and was swept off easily. The cars were on time all afternoon and evening during the worst part of the storm, both sweepers keeping the tracks fairly clean.

W. W. Gibson, proprietor of the Red Cross Drug Store, suffered a very painful accident on Tuesday evening. He was putting some coal on the furnace at the store, and in some manner received a very severe wrench to his side. One rib was badly injured, and his side badly hurt. He was removed to his home in a cab, and he is doing as well as can be expected.

MURRAY McFADYEN.

Pretty Ceremony at Archbishop's Palace, on Tuesday.

On Tuesday morning, the archbishop's palace was the scene of a very pretty wedding, when Miss Edith McFadden, eldest daughter of Edward McFadden, 32 Patrick street, was united in marriage to Richard Howell Murray of this city. The ceremony was performed by Rev. Father McDonald, in the presence of a large number of friends. Miss Lena Martin, cousin of the bride, was bridesmaid, and Charles Murray, brother of the groom, was groomsmen. The brides wore simple silk, trimmed with real Irish lace, with picture hat with white feathers. The bridesmaid was attired in a suit of cream panama cloth and picture hat, with white feathers. The groom's gift to the bride was a cross and chain; to the bridesmaid, a pearl crescent; to the groomsmen, a ring. The bride's going-away gown was brown broadcloth, with hat to match. Mr. and Mrs. Murray left on the noon train for Montreal, and showers of rice and good wishes of a host of friends gathered at the station. The bride and groom were the recipients of many costly and beautiful presents.

PRISONERS AT THE JAIL.

Seventeen Are Now Registered at Castle Corbett.

There are at present seventeen prisoners registered at the county jail. Fourteen males and three females. Several of these should be serving their time in the Central prison, but the chances for them leaving are very poor, as the Central prison is crowded. All of the Central prisoners will, no doubt, serve all their term in the county jail.

In speaking of the prisoners in the jail, to-day, Jailer Corbett said that seventeen was a very small number in comparison with a few years ago, when forty and fifty were in at the one time. But things have changed since those days, and the city is now known as "Kingston the good."

The Late Mrs. F. Bristow.

On Tuesday evening the angel of death visited the home of Frederick Bristow, 3 Carry street, and took away his beloved partner, aged 41 years. The deceased lady, formerly Miss E. M. Quech, of Westbrooke, was married in 1887. A bereaved husband, four daughters and one son survive. Mrs. Bristow was a member of the Queen Street Methodist church, and to-morrow afternoon the pastor, Rev. W. H. Sparling, will conduct the funeral services at the home, wherein Mrs. Bristow was a constant source of sunshine and happiness.

At The Bijou.

Among the most interesting people in the world are the fisher folks of the Basque provinces in France. They are not of the French race. Nobody knows their origin, and their early history is forgotten. You will be interested to see these strange people dispersing themselves in moving picture at the Bijou, loving, fighting and leaping, quick to do an injury or to sacrifice self. The drama is called "Rivals in Love." There is also offered the pretty comedy, "A Girl's Dream," Songs by Vera Holden and John Robert Davis. Caruso sings "Reconita Armonita," from "La Tosca."

MacNaughton Of Queen's.

Toronto's most interesting people come up to Toronto, like a breath of fresh air. He is breezy, vigorous, illuminating, and has the simple candor which constitutes the highest of speech and freedom of thought for which Queen's is distinguished, and he is so human and companionable that his learning never seems formidable, while his keenest thrusts at our vanities and prejudices are received with something like affection for the smiter.

Sweeper Is A Hoodoo.

The street railway company's sweeper is a hoodoo. About five o'clock, Tuesday afternoon, while the sweeper was at work on Princess street, near Royal street, it frightened a horse attached to a cutter, and a possible serious runaway accident was averted through the prompt action of Constable "Harry" Filson, who grabbed the angry animal by the head, preventing it from running away. The plunge made by the horse, however, was sufficient to throw the driver, a young man, out on to the roadway, but luckily he was not injured.

Won 113 Prizes.

W. H. Reid, Union street, made a good clearing of prizes at the Ottawa poultry show, last week. His birds won forty-eight firsts, fifty seconds, fifteen thirds, and two specials; a silver cup and gold medal, on pigeons. Mr. Reid has 175 birds at the Montreal show, which opened to-day.

ONE HUNDRED YEARS OLD.

Death at Wolfe Island of Mrs. Dennis Griffin.

Mrs. Dennis Griffin, one of the oldest and most respected residents of Wolfe Island, died at the home of her son, Michael Griffin, on Tuesday morning, at the ripe old age of one hundred years and three months. Deceased was born in Ireland, in November, 1817, and came to this country with her husband and family in 1852. They sailed in the ship Rodrick Dhu, and took eighteen weeks to make the trip across the Atlantic. After reaching Kingston, they settled on Wolfe Island, remaining there all the time.

During all these years, Mrs. Griffin never required the services of a doctor until about a year ago. The funeral will take place Thursday morning, to the church of the Sacred Heart of Mary, at Wolfe Island, where a requiem mass will be sung for the repose of the soul by the pastor, Rev. Thomas J. Spratt.

Came For The Ball.

Misses Grace Henderson, May Andrews, A. Corby, Edith Rogers, A. Green and Mrs. Campbell came up from Gananoque, last night, to attend the Granite lodge ball. They had a jolly time, returning home on the early morning train.

An Austrian couple have been married 100 years. They both declare that they will never marry again.
