**WITH NEWBURGH METHODIST SUNDAY SCHOOL.**  
 The Public Library is to Be Kept Up-to-Date—The Presbyterian's Annual Social Was a Tip-Top Event.  
 Newburgh, Jan. 29.—The school-room of the Methodist church was the scene of a very happy gathering on Friday night last, on the occasion of the annual at-home, of the Sunday school, and though this event was somewhat belated this year, it was none the less thoroughly enjoyed. Many parents were out to show their interest in the school. Under the chairmanship of the superintendent, D. A. Nesbit, a short programme was very creditably rendered, consisting of vocal solos by Aleta Seriver, Elizabeth Humphries, Connie Nesbit and Elida Denyes, and recitations by Bird Madden, Kathleen Stickney, Connie Nesbit and Gladstone Shorey. A number of selections on a gramophone, kindly loaned by H. J. Wood, and operated by Mrs. Wood, were much enjoyed. A number of games were enjoyed by the children and parents, together, which ample refreshments were served. Rev. Mr. Dube made an appropriate address, urging parents to be more loyal in attendance at the Sunday school, a sentiment which the superintendent had previously emphasized. The High School Literary Society met on Friday afternoon last. The programme was short, but good. President John Peay presided. There were two lively choruses by the club, two essays by Marion Riley (read by Jennie Whelan), and Percy Shewell, a vocal solo by Percy Nesbit, a recitation by Nellie Lockridge, and an instrumental duet by Misses Beaman and Scriver. Miss Grange was the critic. The principal in the address reviewed the negotiations between Canada and Japan regarding immigration, now occupying the public mind.

**Are You Ageing too Fast?**

So many women grow old before their time, perhaps your wife or sister. A little while ago, buoyant, full of vigor and activity—she enjoyed life and imparted pleasure to the whole family; but now in a few short years she has faded and lost color and strength. She is just ready to develop some disease that will further weaken and debilitate. You remember how it began, failure of appetite, tired in the morning, found household burdensome, always nervous and a little irritable. You can't let her go down hill further when you can build her up so quickly with Ferrero's. The change this nourishing tonic makes in a weak woman is surprising. It gives great zest for food, increases appetite and digestion enormously. The blood gets richer and stronger and adds new life to every organ in the body. A rebuilding process works through the entire system. The first week will show an improvement, and a month or two will fatten up the thinnest, most run-down woman you can think of. Take Ferrero's for lost color, for nervousness, for weakness—use it when run-down and feeling poorly—it will do you more lasting good, keep you in better health than anything else. Just as good for men and children too, because Ferrero's is harmless and safe, 50c. per box, or six for \$2.50, at all dealers.
