

CHRONIC CATARRH NOSE AND THROAT

"At the Advice of Friends I Tried Peruna and the Results Have Been Highly Satisfactory." So Writes Mr. Pilon.

MR. RAOUF PILON, 118 Rue Notre Dame, Lachine, P.Q., Can., writes "I write you a few words to express to you my satisfaction at being cured. I was afflicted with catarrh of the throat and nose and suffered much. I was greatly discouraged. I had a bad breath and bad taste in my mouth in the morning. I took treatment for some time without obtaining relief. At the advice of friends I tried Peruna and the results have been highly satisfactory. At the end of four months I was completely cured."

Neglected catarrh becomes chronic. Having developed into the chronic stage, a longer and more persistent treatment will be required to cure it than if the disease were treated at the onset. However, Peruna will bring relief, whether the catarrh is acute or chronic. If you are wise you will keep Peruna on hand and take a few doses at the first appearance of a cold or cough, and thus save yourself both suffering and expense. Patients have the privilege of writing to Dr. Hartman for free advice. A book on "Chronic Catarrh" will be sent upon request.

Some Sound Sense. The Montreal Witness puts some good sense into a paragraph relative to our winters. It says: "We have no sympathy at all with those who are ashamed of our frost and snow, and who think the joys of our winter sports and the glories of an ice castle are going to frighten business away. What we need to show them is that we go about in lighter apparel than the people in London can do, that we have a winter whose glories are in extreme contrast with the stygian glooms of that capital, and that we can conjure up such a fairyland as those who have not the fellowship of Jack Frost and his friend Zero have not seen in their dreams."

37 Years' Record. As results speak louder than words, so also a Company that can point to a successful record of 37 years is sure to receive the patronage of the Canadian public which is quick to discern sound and progressive management in the interests of policy-holders.

Add reserve Assets, Dec. 31, 1907. \$ 10,385,539.84. Amount paid to Policy-holders and held for them \$17,862,069.10. Total Premiums received. \$17,388,715.05. Losses of Assets and expenses to Policy-holders over premium receipts. \$ 523,354.65. Write Head Office, Waterloo, Ont., or call on S. ROUGHTON - District Agent Kingston.

Her friends have been sorry to hear that Mrs. Edward Kethy has not been at all well since coming home. WORK CHURCHES. Pass on Ushers and Get Good Money. New York, Feb. 5.—At the new church of Saint Saviour, on the Park Slope, Brooklyn, yesterday, the priests warned the worshippers, at the various masses, to drop their offerings, whatever they might be, in the baskets, without asking the ushers for change.

"There are some bad persons going around," said the priest, "who have no regard for religion. They put counterfeit money in the collection baskets and get good money in change from the collectors."

Similar warnings were delivered in other Catholic churches in Brooklyn. The gang of well-dressed counterfeiters, it is said, is working the Catholic places of worship in Manhattan, the Bronx and Brooklyn. They attend the masses and when they drop a bogus 50c piece, some one has to get 25c back in change from the collectors. One church on the Park Slope, Sunday, is said to have taken in \$16 in counterfeit half dollars.

The gang is reported to be clearing from \$150 to \$200 on Sunday by its nefarious operations. They work in threes, and are practically secure from the police, owing to the disinclination of the priests to cause arrests within the sacred precincts.

Locals From Lapum. Lapin, Feb. 4.—The storm of Saturday and Sunday blockaded the roads here so that the only way to get from house to house was on snow shoes. Monday morning found everybody at their post, with shovels and James Huff in the lead with his fine team of horses. No mail has reached here since Friday night. If old Bruin saw his shadow on Candlemas day, he had considerable scratching to get out.

The quarterly meeting will be next Sunday, at Violet, also on the following Monday the quarterly board will meet at Violet at two o'clock. James Huff has gone to Camden East, to-day, and B. Rose to Maple Avenue. Mr. Williams has gone to his sister's at Morven, after spending some time here with Mr. and Mrs. L. Brown. Those who attended the party, last Wednesday evening, at Mrs. H. Sohier's, Theatre, spent highly of the way they were entertained. The music given by Mr. and Mrs. Henry Smith, of Odessa, and Miss Mabel Valentine, of Violet, was appreciated. Mrs. Snider made an ideal hostess.

New Stamp Story. A stinging old maid dropped two postage stamps into the contribution box. They were two-cent adhesives which had been soaked off a letter received by her grandfather from a friend in British Guiana in 1858. The minister, knowing something about philately, sold them for \$1.25. The following year they changed hands at \$3.20, and a little while later the new purchaser disposed of them for \$3,900 to a German dealer, who let a Russian collector have them for \$5,000.

MARKER YIELDINGS.

Several Deaths Reported—Traffic Was Tied Up. Yarker, Feb. 4.—Business in the country is completely tied up owing to the heavy fall of snow. Saturday and Sunday there was no travel at all. There was no service in the English church or the H. M. church on Sunday and the attendance was slim at the evening service in the Methodist church.

The employees and the trains on B. of Q. R.R. were kept at work on Sunday to get the road open for traffic. They worked far into the night to accomplish it. The shock of the explosion at Tweed was felt here; doors rattled and floors trembled and those who were still in bed, hurriedly got out, wondering what was the trouble.

Mrs. John Kimmitt is seriously ill. The mother of John A. Bell died this morning. The child, H. McCarthy, died in Camden East, also this city. John Galbraith, a sister of T. Love, Mrs. J. Elliott has returned home from Moscow. Miss Edna Dupuis is on the sick list.

He is a graduate of the Kingston Business College.

Flynn's, St. Lawrence, on Monday evening. School is progressing under the management of Miss Jordan. A number held here attended a masquerade ball at Marysville on Wednesday evening.

A very pretty wedding took place on Tuesday morning at the Sacred Heart church, Marysville, when Elizabeth Ryan was united in marriage. The happy couple drove to the residence of the bride's mother, where a sumptuous wedding breakfast awaited them. They will reside on the island.

Sunbury Notes. Sunbury, Feb. 4.—A number of residents are drawing wood, as the present weather makes that a great quantity will be burned. The church service on Sunday was poorly attended, the inclemency of the weather being the cause. The village shops are doing a good trade. Some farmers are hauling cracked feed from the city. Joseph Toland has recovered from an attack of grippé. The attendance at the school has somewhat declined this week as the youngsters are kept home by their parents. The school wood is now being supplied. W. Hogle, wife and family, will leave here in a few days and will locate in the west.

Discriminating Praise. Rochester Herald. An ardent young admirer of De Koven's is spending the winter with a rich aunt in Milwaukee. During his visit he has not, thus far, been idle. Last week he finished a symphony, which he sent to the maestro, along with a case of Milwaukee beer.

De Koven wrote back laconically: "My dear boy—Many thanks for the symphony and beer, the latter excellent."

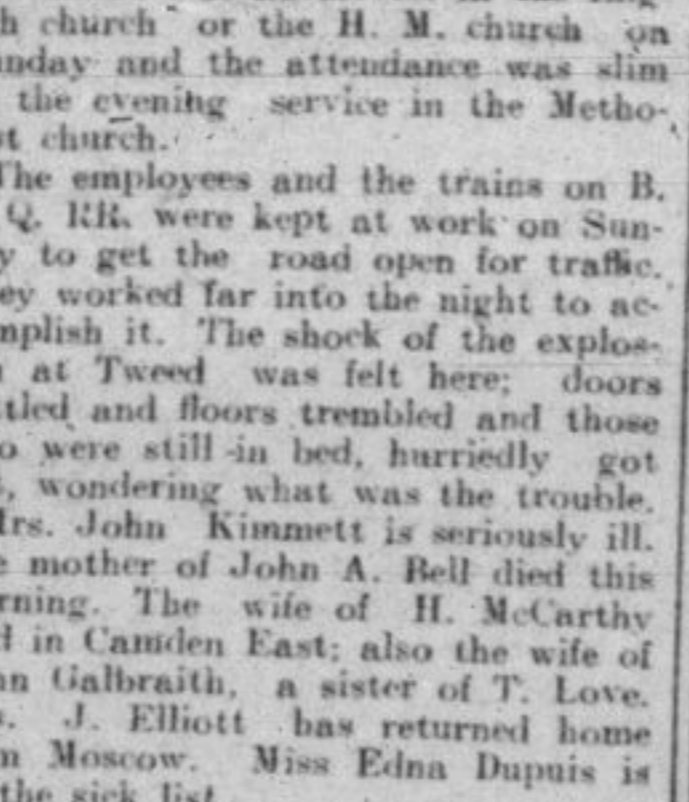

Beats The Devil. New York Press. "Well," said the devil, "I will let you off if you can think up three tasks which I can't accomplish."

"All right," we observe, "being in the Great American novel, an interesting vaudeville show and a fountain pen that won't leak."

The old boy shrieked terribly, but there was nothing for him but to acknowledge gratefully that he was beaten.
