A RATEPAYER DEALS WITH

THE QUESTION.

Claims That a Probing is Necessary-The Whig's Article Dealt Only With Cash Assets and Liabilities.

Kingston Station, Feb. 6 .- (To the Editor): In your issue of February of it as a public enterprise. The 5th, an article appears, which states A Cup For Cruising Yachts on stocks and bonds of the company re- that "The financial position of the County of Frontenac is all right," and also an editorial "A Probing is Mr. McKay, leader of the opposi- Needed." These must certainly be teresting reading to the ratepayers of the county and with your permission I will take the hint from the editorial and do a little probing along the line Bay, a distance of about 180 miles.

The first named article states that Commodore G. B. Reeves, Watertown, in the year 1897, the year of the Van- New, York. luven defalcation, the county was in debt for \$182,000, and in these ten years the depenture debt has been reduced by \$137,000, but it doesn't say year which to my mind is very unfair and misleading. In dealing with the finances of the county, the debenture debt should not be brought in as there is a special rate provided for it by act of parliament, and has nothing whatever to do with the county rate which is collected to cover the running expenses of the county, Now, leave out the debenture debt for the What is Old Probs up to? Isn't he year 1897, which is \$176,470, and also meeting between United States and British colleges are not very bright. have a surplus of assets over liabili-Oxford Association left the decision to ties of \$51,469, and the principal items that makes up this surplus is the county rate due from the different Socialism proper is a benevolent townships in the county which is team defeated Toronto University good for 100 cents on the dollar, so team in the return match for the in tercollegiate basketball championship after the big Vanluven steal was tak-

The article also states that at the end of 1907 ten years later, we have a debt of \$80,000 that would mean that Kingston paper that "Ontario has county in the past ten years has used expended by the county in the of Dr. "Dick" Mills, in goal, that the ten years over and above the regular yearly income (which is the same rate ow as it was in 1897) or in other Thaw is now sworn by paid experts words, they have been living beyond for a ten-round fight in Los Angeles,

Is it any wonder that Councillor Calvin would do something to draw the ratepayers attention? Why was not this state of affairs made known to the ratepayers on nomination day? Ex-Councillor Sproule stated on the Sir William Van Horne says he : has hustings at Cataraqui that the treathey should be, and when there are secrets to be kept, it looks all the more necessary for a thorough probing.-COUNTRY RATEPAYER.
