Furniture & Car- AGAIN HEAD OF COUNTY REFORM ASSOCIATION.

Mayor Mowat and Dr. Rich-

ardson. In spite of the inclement weather, there was a good attendance at the annual meeting of the County of Frontenac Reform Association, held in the Whig hall, on Saturday afternoon. The roads were in a terrible condition as a result of the heavy rain, and many who had intended being present, were compelled to stay at home. The president, R. J. Vair. was in the chair, with the secretary, J. J. Keenan also present. Addresses were given by the president, Ex-Mayor Mowat and Dr. Richardson. The main portion of business was the election of officers.

again elected president, and the meeting paid a warm (ribute to his good work as the head of the association. order, the president called upon Expolitical matters and urged strong that the meeting would elect an exe- meeting two hours later. cutive of equal strength as the executive which had carried on the work nate in securing such a fine man as ton, Mass.; R. displayed by that officer. Continuing, Mr. Mowat said that A !! there was no question but that there would be an election for the provincial legislature in June next. Now was the time to get everything in readiness for the battle, As to the Dominion election, it was not looked for until November at least. We might look for it then, but it might not come off. No one appeared to know just when this election would be held. prime minister himself, did not yet know as to when it would be in the best interests of the people, to call for an election. One thing was ertain, and that was that it would be until November. There was no need to select a candidate right away, and he would suggest that this matter be left with the committee, with instructions for that body, to take into their consideration, the calling of a meeting for the purpose of select-

The conservatives, the speaker said, were not a happy family, at the present time. They were fighting among themselves. He urged that the best of andidates be secured, and that there he strong efforts put forth for organization. The independent vote, which had turned to the conservative side, now turned in favor of the liberals, and this would be sufficient to turn the Whitney government out. Mr. Bor-We Have All Sizes den had started out with a great flourish of trumpets, with a platform of some eleven planks, but now all these had been dropped, and the poliey of scandal and slander had been Sunday was anniversary day

IT IS A COMMUNION WITH THE SAINTS.

Rev. Prof. Jordan Applies It In Zechariah Concerning the Young Man With the Measuring Rod.

As unusually large congregation as-

sembled in Convocation hall, yester-

contest the Onondaga should be alday afternoon, when Rev. Pros. Jordan, D.D., delivered the weekly address, speaking from the openine verses of the second chapter of Zechariah which recount the prophet's vision of a-young man with a measuring line in his hand. The people were wont to ridicule the prophets of 3,000 years ago-to scoll at them as poets who thad nothing in common with men o affairs. Zechariah was a prophet who had been endowed with the gift of expressing himself in clear and simple language and his pictures or illustra-A local hotel-keeper, a lover of fast tions, the interpretation of which we find some way to get them back to were thrown out in the slush and cern ourselves with the utterances of grows out of the past. And our reversion to the writings of the ancient prophets brought us into contact with men of devotion and uprightness,-in short, criticism was a communion with saints.

Zechariah saw a vision of a young man with a measuring line in his hand. This vision was employed by the prophet to meet the mathemati-UlUI cal type of mind, which demands precise statistics and measurements. The and the young man looked ever to the future; he delighted in having things presented to him in an accurate and clear-cut fashion. But in the the Preacher-He Urged the would not be of such importance as People Not to Sit and Watch, the young mind was accustomed to
