"BALDERDASH."

Warming Whitney For His Use o Expletives. London Advertiser.

Mr. Whitney has a habit of using

sounding expletives and is very often a victim of his own vocabulary. He doesn't think in continents, as was said of Cecil Rhodes, he always speaks in superlatives. His favorite word is "monstrous," which as leader of the opposition he used to apply with joyous abandon to everything that emanated from the other side of the fence. This infirmity is not the offspring of a ungenerous disposition, but of a certain irascibility, and a peculiar style of rhetoric. He deals in dict. The jury stood eight for break- long, involved sentences and when he ing the will and four against. The plunges into one he is never certain The how he is going to extricate himself, case cannot be heard again before the to that he often finds it necessary to drag in mouth-filling words to round out his periods. Anyone who has tried to report Mr. Whithey's speeches will aged and eccentric millionaire's son, understand this. Scarcely a sentence Richard Snell, president of the Clinton can be reproduced verbatim, and the bank. It has been rife with sensa- unlucky scribe who tries to transcribe tions, chief of which were the "Snell him literally is obliged to straighten letters," written by women and young out the syntax. Abusiveness in Mr. girls to the old man, who was willing Whitney's case is quite harmless. The
