Suffered From Heart and Nerve Troubles FOR THE Last Ten Years.

The heart has supplied to it two sets of nerves, one set which quickens, the other which slows its action. The proper action of these nerves, so important to the well-being of the heart, depends upon the general condition of the nervous system. If there be nerve derangement of any kind it is bound to produce all the various phenomena of heart derangement.

Knowing the intricate structure of the heart, and being aware how diseases of the nerves affect the heart, we have combined in Milburn's Heart and Nerve Pills a treatment that will cure all forms of nervous disorders as well as act on the heart itself, and in this way is the secret of their success in curing so many cases of heart trouble which have defied all other treatment.

Mrs. John Riley, Douro, Ont., writes: "I have been a great sufferer from heart and nerve troubles for the last ten years. After trying many remedies and doctoring for two years, without the least benefit, I decided to give Milburn's Heart and Nerve Pills a trial. I am this full to say that, after using nine boxes, I am entirely cured, and would recommend them to all sufferers."

SMALLPOX IN SYDENHAM.

Sydenham, Feb. 24.—The Board of Health meets again to-day to consider what steps should be taken to stamp out the small-pox epidemic. On Saturday afternoon several of the 'privy' residences in foreign cantons were placarded to warn the passers-by to keep away. Dr. Tovell vaccinated all the pupils of the public school, and also the members of forms one and two of the high school, on Friday last. The public library is closed for the time being. There was no Sunday school yesterday afternoon. At nine o'clock this morning the high school was closed. The residents of the village are in an uproar over the disease, which is spreading among them with a rapidity that has not been witnessed by such as this before. As Mrs. John Patterson was driving into the village on Saturday evening her horse became unmanageable and ran away, upsetting the cutter and throwing the occupants out. The horse ran down the sidewalk, and when the sleigh struck a telegraph pole it freed itself from the cutter. The horse and driver received no injuries, but the cutter was badly broken. While loading ice the team owned by D. Gentry, Harrowsmith, ran away from behind the sidewalk, and when they were caught near Mrs. Warton's, on the Harrowsmith road, a large quantity of ice is being taken from the lake here at the present time. This evening a farewell party will be held at the home of Mrs. P. Joyce, Railton, in honor of the eldest son, John, who is to be married on Wednesday to Miss Alice McGrath, Kingston, after which the couple will leave for their new home in Winnipeg.

GILLETT'S GOODS ARE THE BEST! MAGIC BAKING POWDER GILLETT'S PERFUMED LYE GILLETT'S CREAM TARTAR. When your dealer, in filling your order for any of above goods, reaches for a substitute, STOP HIM! That is the time to do it. It is too late when you get home, and the package opened, partially used and found wanting, as is generally the case with substitutes. There are many reasons why you should ask for the above well advertised articles, but absolutely none why you should let a substituting dealer palm off something which he claims to be "just as good," or "better" or "the same thing" as the article you ask for. The buying public recognize the superior quality of well advertised and standard articles like Gillett's goods. The substitutor realizes this fact and tries to sell inferior goods on the advertiser's reputation. E. W. GILLETT COMPANY LIMITED WINNIPEG, TORONTO, MONTREAL. HOW YARKER WAS NAMED.

Until 1859 the village was known as Simcoe Falls, but there was no post office there, all the mail coming to Peter's Mills, a mile distant. An effort was made that year to have a post office established, but the government objected to the name 'Simcoe Falls' on the ground that there was already a Simcoe in the county of Norfolk. A meeting was held in the store of John A. Shibley and a list of names to be sent to the government, in order of preference. The name of Yarker was proposed by Mr. McVenn, who had worked for a Mr. Yarker in his younger days in Sydenham; his two sons were then living in Kingston, George W. Yarker being in the Bank of Montreal, and James S. Yarker being a hardware merchant. The name of Yarker was the seventh or eighth on the list. I have been told that the first name was of Pekin. As we have a Moscow and Odessa close by it would appear as if the people had a strange liking for the names prominent in foreign countries. Alphonse VanLue suggested Rockburg from the quantity of rock around there. But the unlikely often happens and the government passed over six names and selected that of Yarker. Shortly afterwards a dance was held in the village, at which George W. and James S. Yarker were present; they promised to present the village school with a bell. Messrs. Yarker brought out the bell and were met by the villagers with a brass band; all required to the words close and intended engaging in a song. The Rev. D. Houch was in Toronto a few days last week. Mortimer Smith, who has been in Manitoba, during the past year, is home. Mrs. D. B. Bowerman, of Toronto, was here a few days last week.

BLOOMFIELD DEATHS.

Two Old Residents Passed Away Last Week. Bloomfield, Feb. 24.—Victory Sykes, who has been ailing for several months, died at the residence of his son, A. V. Sykes, on the 18th. Mr. Sykes was in his eighty-fourth year and was a resident of Kingston for several years. For many years he has conducted a tannery here. The funeral was held on Thursday, from his late residence, to Glenwood cemetery, Picton. The services were under the direction of the Masonic order, of which deceased was one of its oldest members. Another old resident of this place died on the 17th inst., in the person of Mrs. Stewart Brown, in her seventy-fifth year. Deceased lady's maiden name was Noxon, and coming of a large family, was closely connected with many around here. Besides her husband there are Mrs. W. B. Leavens, of Chisholm, Miss Bertha, of New York state, and Dr. Willet Brown, of Flushing, N.Y., who were all in attendance at her funeral on Wednesday. Dr. Sanger Brown and wife, of Chicago, were also present. Jonathan Noxon, of New York state, was here at the funeral of his sister, Mrs. Brown. The balance of Samuel Nesbitt's apples, in the cold storage here, are being repacked and shipped this week. Charles Christy is, very sick, with little hopes of his recovery. Another outbreak of small-pox has appeared. Ralph Leavens is the victim. He is progressing favorably. Clayton Burr has leased his farm and intends engaging in another work. Rev. D. Houch was in Toronto a few days last week. Mortimer Smith, who has been in Manitoba, during the past year, is home. Mrs. D. B. Bowerman, of Toronto, was here a few days last week.

GANANOQUE TIDINGS.

The Closing of Rev. Father Kehoe's Big Bazaar. Gananoque, Feb. 25.—The annual bazaar and mid-winter fair, which has been held during the past week in Turner's assembly hall, under the auspices of the ladies of St. John's church, was brought to a most successful issue with a grand concert in the Grand Opera House, at which the choir of St. John's church and also the junior choir distinguished themselves in some excellent choruses. The Misses Corboy and Brennan and Ralph B. Britton rendered excellent solos, and the rector, Rev. Father John P. Kehoe gave an excellent and entertaining illustrated lecture on scenes of interest during his recent European trip. The Citizens' band was in attendance. At the close of the musical part of the programme, the drawing of prizes was held. The Star-Bachelor hockey team went to Lansdowne on Saturday evening for the return match with the Ramblers, who gave the Stars an eclipse in their former game. Capt. of Gananoque, referred to. At half-time the score stood 5 to 3 in favor of the Star-Bachelors. The Ramblers refused to go on the ice for the second half, on account of some of the referee's decisions. Five referees then gave the game to the Star-Bachelors, they having shot one goal in the second half, unopposed, by a score of 6 to 3. Some of the local manufacturing establishments, which for some time past have only been running on an average about thirty hours a week, have been compelled, during the past week, to considerably reduce their staff of operatives. Mr. and Mrs. Glode and Miss Glode, of Coteau Landing, Que., spent yesterday and to-day in town with the former's brother, M. Glode, River street.

Why don't you try Carter's Little Liver Pills?

They are a positive cure for sick headache, and all the ills produced by disordered liver. Only one pill a dose. An Italian music store in Brooklyn was wrecked by a bomb, on Monday morning. This is the third outrage of the same kind suffered by Peter Locato, the proprietor, since last spring.

Stamp Out Your Catarrh! Catarrh is bound to come with this weather. Scarcely anyone will escape. Slight colds become more offensive and sickening every day. The inflammation extends further into the head, soon the ears begin to buzz and ring, the head aches, the eyes pain dreadfully, the nose gets plugged up and this forces the patient to breathe through the mouth. Vile, filthy secretions are forced back into the throat, requiring a great deal of coughing to keep the air passages free. Finally this foul matter finds its way into the stomach, causing dyspepsia and general ill-health. By this time the patient has SYSTEMIC CATARRH, which saps strength, depletes the vital energies till Consumption is the unhappy result. BREATHE CATARRHOZONE There isn't the slightest use in trying to cure this condition with tablets, snuffs, or sprays. Such treatments are wholly inadequate. You must employ Catarrhozone, the only remedy that forces back into the throat, the healing vapor of Catarrhozone is carried by the air you breathe to the most minute cells of the nose, throat, bronchial tubes and lungs.
