

Synopsis of Canadian North West HOMESTEAD REGULATIONS.

Any even numbered section of Dominion Lands in Manitoba or the North-West Province, excepting 2 and 26, not reserved, may be homesteaded by any person the sole head of a family, or male over 18 years of age, to the extent of one-quarter section, of 160 acres, more or less.

Application for homesteaded land must be made in person by the applicant at a Dominion Lands Agency or Sub-agency. Entry by proxy may, however, be made at an Agency under certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

An application for entry or cancellation made personally at any sub-agent's office may be wired to the Agent by the Sub-agent, at the expense of the applicant, and if the land applied for is vacant on receipt of the telegram such application is to have priority and the land will be held until the necessary papers to complete the transaction are received by mail.

In case of "personation" or fraud the applicant will forfeit all priority of claim or if entry has been granted it will be summarily cancelled.

An application for cancellation must be made in person. The applicant must be eligible for homesteaded entry, and only one application for cancellation will be received from an individual until that application has been disposed of.

Where an entry is cancelled subsequent to distribution of cancellation proceeds the applicant for cancellation will be entitled to prior right of entry.

Applicants for cancellation must state in what particulars the homesteader is in default. Invalid Ladies This Is For You.

There are thousands of females who suffer untold miseries common to their sex. This is largely due to the peculiar habits of life and fashion, and the improper training of girlhood. Then, too, the physical changes that mark the three eras of womanhood (the maiden, the wife, and the mother) have much to do with their sufferings, most of which are endured in silence, unknown by even the family physician and most intimate friends.

KAISER IS INTERESTED GERMANY TO BUILD GREAT AERIAL FLEET.

Will Shortly Have Five Improved Airships Available For Military Purposes. Berlin, March 2.—The German emperor and his military advisers have resolved to lay the foundation of a German aerial fleet during the present year.

Within a few months the German government will possess five airships which will be available for use in military operations, and whose value in this respect is rated highly by those who are competent to judge.

Count Zeppelin, the inventor of one of the best types of German airships, firmly believes that the development of aerial navigation will enable large bodies of troops to be conveyed rapidly and safely through the air.

It will be possible to fire these guns either vertically or at an extremely high elevation, and they will be loaded with projectiles of an equally peculiar type, designed to inflict the greatest possible damage on the balloon which supports the hull of the hostile airship.

The Germans possess two systems of wireless telegraphy which are admirably suited for use on airships. The apparatus invented by the German engineer Heinicke is of comparatively minute size, both the transmitting and receiving apparatus being in the same small case, which weighs only forty pounds. The radius of communication is thirty miles.

The great firm of Siemens & Schuckert has established an airship department, and already it has more

THE SPORT REVIEW. Interesting News From the Various Sporting Fields.

After the Ottawa-Wanderer game J. P. Dickson, of the Ottawas, told the Shamrocks that he would give each player \$50 if they beat Wanderers on Wednesday. A Shamrock win will give the Senators another chance.

Hamilton Herald: Marty Walsh is the leading scorer of the league and his work at centre stamps him as being in the Frank McGee and Russell Howie class. Walsh is hardly as clever as McGee or Stanley when it comes to taking the puck through the crowd, but when it comes to scoring he is Johnny-on-the-spot. Walsh learned his hockey in Kingston.

Washburn, March 2.—The tea meeting held at Sunbury by the Orange Men, was well attended. Evangelistic meetings are still being held in Sunbury hall. Recent visitors were: Mrs. A. Pringle, at Mrs. J. Toner's; Miss Emma Fleming has returned to the city; Mr. and Mrs. W. Woods and daughter, Mamie, at William Toner's, Barriefield.

Wanderers have now one league match to play, that with the Shamrocks on Wednesday, and if they win they will play the Maple Leafs of Winnipeg, who have challenged for the Stanley cup. Should, however, Shamrocks beat Wanderers, which is not considered probable, though of course it is possible, there will be a tie for the championship between Wanderers and Ottawa, and there will have to be another match to decide the championship.

Toronto Globe: It is a decided tribute to the estimation in which the opinion of G. P. Swannan, of this city, is held that the entry of blood-bounds at the Buffalo Kennel club

AN OLD SAYING. Showing How Cause and Effect Are Never Far Removed. It is an old saying, "Where there's a bonny there's a bane" - not less true in one which science has proved more recently, "Where there's a dandruff there's a germ" - and to push the inference still further we may truly say, "Where there's dandruff there's a scalp disease."
