O'KILL STREET SEWER TO BE COMPLETED BY W. B. LESSLIE.

The City Council Accepts His Figure of \$4,150—The Completion is Urgent—The Total Cost Will Be \$7,199.34.

At the special meeting of the city council, last evening, regarding the O'Kill street sewer extension, there were present, Mayor Ross and Ald. Carson, Chown, Couper, Craig, Free, Graham, Hanley, Hoag, Kent, McCann, Hanley, Nickle, Rigney.

The board of works recommended that in view of the fact that William Tait had declared himself unable to proceed with his contract, the tender of W. B. Lesslie, to complete the work for \$4,150, be accepted.

Ald. Carson said that he was greatly surprised at this turn of things. The board of works had turned out just as he had prophesied last year when the contract was awarded. He said he stated at the Board of Works meeting that he doubted if Mr. Tait could carry out the contract for \$2,250. If Mr. Lesslie's tender had been accepted before the extension would have been laid long ago.

In reply to Ald. Carson Ald. Nickle said that McKelvey & Birch were the guarantors in the proposed sum of \$1,000. Ald. Carson held that the amount should be \$2,000. Ald. McCartney agreed with Ald. Carson and said he had proposed in committee that the amount should be half the contract price.

The security was changed to \$2,000 and Ald. Chown's motion to award the contract to Mr. Lesslie was carried unanimously. Mayor Ross had expressed himself in favor of proceeding with the work.

The Proposition to Secure the Fire Escapes. The recent catastrophe in the school at Cleveland has brought the question of the safety of pupils again to the front, and the proposition of the management committee of the Board of Education, to place fire escapes on the schools, as soon as possible, is considered a wise move, by the citizens.

It has been learned that the fire chief in Brantford, has ordered fire alarms to be placed in every school, and other cities are working on the same lines. At the present time, school construction all over Canada is being most carefully scrutinized.

The suggestion has been made, and is a good one, too, that all the schools have telephones or telephone connection with the fire department, in case of fire. In this manner no time would be lost by the brigade in getting to the school in case of a fire.

It is stated that New York has a good one, too, that all the schools have telephones or telephone connection with the fire department, in case of fire. In this manner no time would be lost by the brigade in getting to the school in case of a fire.

LAND FOR VETERANS. No Application Received After July 31st.

On July 31st next all opportunity of filing veteran land grant claims with the provincial government will permanently cease. The time allotted by the existing act lapsed on January 1st last, but requests have been made by the department for a temporary extension.

This Hon. Mr. Cochrane has decided to concede and will bring down to the house a bill extending the time to July 31st. "This, however," he states, "will be absolutely the last extension."

THE SPORT REVIEW

R. M. C. II. BEAT TRINITY OF PORT HOPE.

The Score Was 6 to 5—Return Game to Be Played at Port Hope—General Notes on Various Sports.

In one of the fattest and best junior intercollegiate games ever played in this city, the Cadets defeated the team from Trinity College School, Port Hope, last evening, at the Kingston rink, last evening. At half time the score stood 4 to 3 for Cadets and at full time 6 to 5. All through the game was close, the play fast and exciting, and the checking strenuous.

The soldiers were the heavier team, and did not hesitate to use their weight to advantage. The Port Hope boys although lighter were faster and had great team play. The ice was in fair condition, and a fairly large crowd were present. The teams lined up as follows: Cadets II (6)—Hanson, goal; Read, point; Green, cover; Watson, rover; McAvity, centre; Spain, Adams, wings.

Trinity (5)—Drummond, goal; Finkham, point; Spall, cover; Hay, rover; K. Drummond, centre; Campbell and Menard, wings.

Referee—Noble Steacy. In the first half the visitors had two goals before the Cadets woke up; Menard and Hay doing the trick. The soldiers then pulled themselves together, and Watson and McAvity evened up matters. At times the play was quite strenuous, numerous penalties being dealt out for minor offenses by the referee. Menard found the nets again for the Trinity boys, and Adams and Spain both potted for the score after six minutes play, and home team making half time score, 4 to 3 for Cadets.

The second half opened strong, with both teams working well. Trinity tied four minutes after Hay found the nets on an individual rush. Following this, Watson, Menard and Drummond went off for tripping and slugging. Trinity were playing five men against seven, and Adams and Spain scored in close succession just before time was called, making the final score 6 to 5 for Cadets. Had the visitors stayed on the ice they would have won out. They should land the championship when they meet Cadets on their own ice at Port Hope this week.

Victorias Defeated. In a fast game of hockey, the Eagles defeated the Victorias by a score of 3 goals to 1. Harold Stuart was the referee, and he gave entire satisfaction. The teams lined up as follows: Eagles—Goal, Ed. McSorley; point, Harry Elmer; cover-point, Arthur Hamilton; centre, M. Crollan; rover, W. Sande; wings, W. Bryant and Harold Bird.

Victorias—Goal, Harold Stuart; point, Walter Francis; cover-point, Cress; centre, Smith; rover, Derry; wings, J. Stuart and "Harry" Lee.

Eastern Race Is Over. With the Eastern Canada hockey league games at Ottawa and Montreal Saturday night the league season was brought to a close. Following is the standing of the teams: Teams—Won. Lost. Ottawa 7 2, Shamrock 5 3, Victorias 5 4, Montreal 1 9.

A Handsome Cup. On Monday evening the McMac hockey team, champions of the Kingston Amateur Hockey Association, were presented with a handsome trophy by "Senator" Powell. The cup is the work of a local silversmith, or blacksmith, and is one of the handsomest ever offered for competition in the city. Had the visitors stayed on the ice, they would have won out.

Grandpa "Jim" Rejoices. Writing from Charleston, S.C., where he is on his way to Georgia and Florida on a business trip, James T. Sutherland has the following to say: "I am rejoicing over the fact that my grandchild, Jimmie, has just won the championship of the city of Charleston for the year 1907-1908."
