THE CITY FINANCES

REPORT OF AUDITOR MILLER PRESENTED

To the City Council—Some Interesting Information Given—Light Plant Surplus Last Year Was \$1,411.38.

City Auditor Miller's report was presented to the city council last evening. Mr. Miller touched the following remarks: "This year's audit, as last, contains only one statement of taxes, viz., 1907, and when the roll is finally closed there will only be about \$500 unpaid. This manner of collecting taxes speaks for itself and shows the great savings effected for the city.

"In my report last year I called your attention to the paying of fines to the jailer, and respectfully suggested that it should cease, and recommended that when a prisoner is committed to jail for non-payment of fine, the party who afterwards pays it should pay it to the chief of police, and the police magistrate, upon such payment being made, should issue a release to be given to the jailer. This would result in having all money for fines in the hands of the chief of police.

"The city officials' bonds are in full force with the United States Fidelity and Guarantee company. "The sinking fund investment account now amounts to \$105,007.41, and ample provision is being made from year to year for the payment of the local improvements debentures.

"I am pleased to be able to say that no illegal grants were made this year."

The auditor's report shows that the debenture debt on December 31st, 1907, including debentures authorized under law, but not yet issued, \$1,228,713.92; less sinking fund, \$104,509.74; actual amount, \$1,124,204.18. Of this amount, \$505,375 represents the issues on account of the light and waterworks systems. The interest and payments on these accounts are provided for by the water and light rates. The net debt of the city is, therefore, \$618,829.18.

The city revenue last year was \$1,090.58; expenditure, \$190,663.42; deficit, \$8,572.84. The amount of uncontrollable taxes, which will be finally written off, will have to be added to the above deficiency.

The waterworks revenue last year was \$38,956.60; expenditure, including payment on debenture and interest account for the year, \$30,370.48; transfer to rest account, \$2,000; excess of revenue over expenditure, \$6,586.12.

Light department revenue for last year, \$75,741.64; expenditure, including payments on debenture and interest, \$74,330.26; balance of revenue over expenditure, \$1,411.38.

Anything To Be Healed? Whenever any kind of a healing application is required, use Wade's Ointment. You will then be sure you have used the best possible remedy. It should be kept in every house as a cure for wounds or skin affections. To Be Commandants. It is rumored in military circles that Lieut.-Col. Oscar C. Pelletier, at present holding the position of chief staff officer to Col. Buchanan, of the Quebec command, and son of Sir Alphonse Pelletier, is to become the new commandant of the Citadel at Quebec, in succession to Col. Rutherford. Lieut.-Col. Dunbar, the assistant adjutant-general, is spoken of as likely to become commandant at Kingston.

The world-famed Nuwara Eliya, conceded to be the finest tea-growing district in the Island of Ceylon, produces the tea packed in the air-tight lead packets of "Salada," which on account of its delicious strength makes it necessary to use a much smaller quantity than you would of other teas.

WILL MEET AT STRATFORD.

Y.M.C.A. Workers to Convene There Next Month.

The local Y. M. C. A. workers have received notice that the thirty-sixth annual convention of Young Men's Christian Associations of Ontario and Quebec, will be held at Stratford on Wednesday and Thursday, April 8th and 9th. It will be a monster convention, and delegates will be appointed to attend from Kingston.

The women's auxiliaries of Ontario and Quebec will meet in connection with the convention, and will discuss questions of supreme importance. Among the speakers are: His Honor Sir Mortimer Clark, lieutenant-governor of Ontario; Frederick B. Smith of New York; Prof. A. L. McCrimmon, of Toronto; Dr. George J. Fisher, New York; D. A. Budge, Montreal; T. H. Billings, international student secretary for Canada; J. M. Dudley, international railroad secretary for Canada; A. Cullen, provincial county work secretary.

THE NEW RULE.

Change in Examination Form in University. In view of the action of the education department regarding the acceptance of the certificate from the principal of an approved school in lieu of formal examinations in English grammar and arithmetic, and the difficulty of extending the privileges of the "approved school" to schools not under governmental inspection, the following regulation was adopted for the examinations of 1908: "That the universities do not require examinations in English grammar and arithmetic, but that candidates who pass satisfactory examinations in algebra and geometry and in English composition and literature be considered to have fulfilled university requirements in arithmetic and English grammar."

WAS GIVEN A CHANCE.

A Lad Who Stole From His Employer. A seventeen-year-old lad, stealing in police court, was sentenced to a month in jail for the theft of three boxes of cigars, but as it was his first appearance in the police court, and as he had never been in trouble of this kind before, he was allowed to go on suspended sentence. He was given a timely advice by the magistrate.

Two Energetic Members.

The re-nomination of Hon. William Hart and Edw. J. B. Penno as the liberal candidates for Kingston in the house of commons and the legislative assembly respectively, is practically their election, as both gentlemen are invincible in an election contest in Kingston, and deservedly so, as they both have very large interests in the city, and it cannot be gainsaid that the employment their institutions give to a large portion of our citizens is one of the great features of Kingston's prosperity and the keeping of our population at a satisfactory rate, compared with other Canadian cities, as proved by the recent census. We can lay claim to the record of having two of the most energetic members of parliament in Canada, in Hon. William Hart and Edw. J. B. Penno, and the city of Kingston will show on election day that they will not tolerate a change of representatives either at Ottawa or Toronto.

Death Of J. A. Aylesworth.

John Albert Aylesworth passed away on Monday morning at his residence, Cataraqui, after a lingering illness. The deceased was a butcher by trade, was well known in the city and vicinity, where he made many friends. He was just forty years old, passing away on the fortieth anniversary of his birth. The deceased was for many years a township councillor and last year was reeve of Kingston township and county councillor. The sincerest sympathy of a host of friends is extended to his wife and family in their bereavement.

Help Miss Hyatt.

Miss May Hyatt on Thursday night will have to enter the Montreal Herald her final returns in the old country contest. To reach fifth place, Miss Hyatt will require generous help. Any who wish to subscribe to the Herald for a couple of years in advance would confer a favor upon the local representative in the race by sending her word before Thursday. Every subscription will send her ahead by 3,000 votes. She will require about 500 more subscriptions to win out.

THE SPORT REVIEW

THE MICMACS BEAT THE ROYALS

By 7 Goals to 2 and Won the City Championship—Gananquoque to Play Frontenac Business College Here.

At the Kingston rink, on Monday evening, the Mic-Macs defeated the Royals by 7 goals to 2. The game was the outcome of a great deal of talk as to which was the better team, and the contest last evening certainly decided that the Mic-Macs were the best junior team in the city. The game was for a side bet of \$75, the proceeds to be given to a charitable institution.

The ice was in very good condition and the game was fast and clean all through. In the first half the Royals had a little the better of it, the score half time being 2 to 1, in their favor. In the second half the Mic-Macs went out, bound to win, and lagged six goals while the Royals succeeded in getting only one. The teams lined up as follows: Mic-Macs (7)—Saunders, goal; Cherry point, Lemmon, cover; Metcalfe, rover; Houghton, centre; Dowsley and Cooke, wings.

Royals (2)—Kennedy, goal; Nicholson, point; McKenzie, cover; M. Ainslee, rover; H. Ainslee, centre; Boyd and Muehler, wings. Referee—"Senator" Powell.

To Meet St. James.

Joseph Reid's Midgets will play the St. James' team at the covered rink, on Wednesday night. The St. James are champions of the junior City League, and the Midgets think they can give them a good game. The Midgets will line up: Williams, goal; Lovett, point; McCammon, cover; Grattan, rover; Moran, centre; Reid and Macdonnell, wings.

Decide The Championship.

The Tigers of Gananquoque will play the return game with the Frontenac Business College here on Wednesday night in the finals of the St. James' League. This should make one of the best junior games of the season. The teams have met before and are evenly matched.

Sporting Notes.

Frontenac rejects International Baseball League proposition. Guelph is favorable to it. George Hackenschmidt, "the Russian Lion," has arrived in New York, yesterday, to wrestle Frank Gotch in Chicago on April 2nd for the world's championship.

Proper Care Taken.

G. Sudds, of Simcoe Island, complained to Mr. McAmmon, harbor master, that men had opened the ice on the bush road, running from Brock and Booth's slip, to Simcoe Island, and that as a result, traffic was made very dangerous. When spoken to about the complaint, Mr. McAmmon said that the ice was being cut a good distance away from the road, and that he did not consider that there was any danger. The road had been properly bushed, and all the necessary care was being taken.

At The Princess.

The Princess theatre was crowded to the doors last night, the bill being the best provided by the management this season. "The Hebrew And His Pack," a very funny comedy sketch, was a special attraction, and besides there was 2,346 feet of film, showing a fine line of pictures. The pictures showing scenes at local bazaar, numbers were very amusing. George Hammond sang in splendid voice, "Blow The Smoke Away," from "The Time, The Place and The Girl," the illustrations being exceedingly fine.

A Bad Church Sidewalk.

The sidewalk on Earl street, near Chalmers church, is in a very dangerous condition and something should be done at once to remedy it. The snow has been shovelled off the roof until it leaves only about half the walk clear, and from Clergy to Barrie streets the walk is covered with ice, slippery as glass. On Monday afternoon a young lady fell there and had to be assisted to her home, and last evening an elderly gentleman fell in the same place and was badly shaken up.

Leaving For Toronto.

The many friends of Miss Mabel Clarke will be sorry to hear of her leaving the city to take a position as copper plater with Rylie Bros., Toronto. She leaves on Thursday. Her friends wish her success in her new position. She is an experienced copper plate printer and has been with the Jackson Press for the last two years.

Brought To A Close.

There will be no normal class at the Y.M.C.A. building on Thursday night, the series having been brought to a close. The meetings held every week during the winter have been well attended, and have proved most profitable to all who have attended. It is probable that the classes will be held again next winter.

THE ARMY BANDSMEN

PRESENTED WITH FINE NEW INSTRUMENTS.

Mayor Ross Performed a Pleasing Ceremony at the Salvation Army Barracks—Nearly Half the Required Money Raised: Last evening a large audience attended the Salvation Army barracks to hear Ensign Madeleine Wilson speak, and to witness the presentation of new instruments to the band by Mayor Ross. The mayor was accompanied by Aldermen Angrove, Givens, Hoag, McCann and Nickle. The civic representatives received a hallooing welcome from the bandmen as they stepped upon the platform, at the close of Miss Wilson's address. Brigadier Hargreaves, of Montreal, and Ensign Coy were in charge of the meeting, and received the mayor and his colleagues.
