EX-CANADIAN SAW IT.

A Thousand Men Slain in Iquique Chile.
St. John, N.B., March 17.—What is probably the first correct account to be received of the recent rioting in Iquique, Chile, when over 1,000 men were killed and 2,000 wounded, is presented in extracts from a letter received from Robert Solanders. The story of rioting was first sent out by the Associated Press and afterwards denied by them. Mr. Solanders was in Iquique at the time and his letter shows that 1,000 men were killed and 2,000 wounded. The letter is in part as follows:
"Here I am, 1,100 miles up coast from Talca, and I tell you that I saw levelled the nitro business. In Iquique alone 1,000 men were killed and 2,000 were wounded in something under a quarter of an hour by troops and naval men. They turned two machine guns on an unarmed demonstration on the plaza and the slaughter was awful. The whole trouble arose over the value of a currency dollar, which came down from 1s 3d. to a little more than 7d."

AT SARANAC LAKE

OTTAWA MAN FIGURES IN ROMANTIC MARRIAGE.

Frederick Jay Weds a Bright Young Lady Who Nursed Him During His Long Illness.
Saranac, N.Y., March 17.—The formal announcement that Miss Marguerite E. McMullen, member of a leading family of Schenectady, N.Y., and Frederick George Hay, son of the president of the Bank of Ottawa, were married, last October, has come as a surprise to the members of the Adirondack winter colony, among whom the bride and bridegroom are well known.
Miss McMullen, who has been prominent in Schenectady society, on the advice of her physicians has spent most of her time in the last few years in the Adirondacks. Mr. Hay, who has been in Adirondacks for about a year, served in Ottawa Fusiliers. The young couple first met last spring at a health resort known as Fletcher's, in Bloomington, six miles from Saranac Lake. Hay fell ill and Miss McMullen, having seen many similar cases during her stay in the mountains, volunteered as temporary nurse. As soon as Hay was able to be up and around again the young folk slipped away to a parsonage at Bloomington, on October 30th, and were married. Not until recently did their relatives learn of the marriage.
