# St. Catharines, Oat., March 18.-The

trouble which started in St, Barnabas' Anglican church, here, two years a ago, between the then new rector, Rev. And R. Barrington Nevitt, and the officials of his church, principally because the rector peremptorily dismissed all the girls from the choir, intimating at the same time that his reasons for doing so were that he had heard stories reflecting on the character of some of them, culminated, last night, in so far as Mr. Nevitt himself is concerned. A vestry meeting was held last night, and the rector, by his own agreement, THE was given leave of absence until the end of the year, his resignation then to be tendered to the bishop.

The result of the trouble appears to Roche Put on the Defensive-He be a vindication of the churchwardens and the choir girls, because the church attendance has dropped from about Line Made the Accident Pos- 300 when Mr. Nevitt took charge to fifteen or twenty people.
