MASTERPIECES.

Step in our Millinery Department WEDNESand FOLLOWING DAYS. The new Spring flats are ready to receive you-ready to surprise, delight and charm you. Never has it been our pleasure to offer such an assemblage of beauties. Verily-every hat is a masterpiece.

> The Spring Shapes are radically different - strikingly beautiful - rarely becoming. And under the subtle influence of the trimmer's art they have been evolved with bewitching grace into confections of enticing loveliness.

You'll enjoy their viewing. Women will spend hours in our Hat Department admiring, studying trying on and selecting hats. 'Tis an unmistakble demonstration of the attractiveness of our millinery.

> And not the least of the charm and attractiveness of the hats unexpectedly reposes in their prices. We never offered such extra good values-nearly every visitor will remark that.
