Suffered From Heart and Nerve Troubles Last Ten Years.

The heart has supplied to it two sets of merves, one set which quickens, the other which slows its action. The proper action of these nerves, so important to the well-being of the heart, depends upon the general condition of the nervous system. If there he nerve derangement of any kind it is bound to produce all the various phenomena of heart derangement. of heart derangement.

Knowing the intricate structure of the heart, and being aware how diseases of the nerves affect the heart, we have combined in Milburn's Heart and Nerve Pills a treatment that will cure all forms of mervous disorders as well as act on the heart itself, and in this is the secret of their success in curing so many cases of heart trouble which have defied all other treat-

Mrs. John Riley, Douro, Ont., writes "I have been a great sufferer from heart and nerve troubles for the last ten years.
