COMING TO CANADA

A COMMISSIONER FROM THE BRITISH GOVERNMENT.

The Terms Will Be Along the Lines of Least Resistance—Hindus Asking Protection As British Subjects—Wired to John Morley From Vancouver.

London, March 25.—As a result of the representations regarding Hindu immigration into British Columbia, made at the colonial office, recently, by Mackenzie King, Canadian deputy minister of labor, it is probable that a special commissioner will be sent over to Canada for the purpose of arranging the immigration difficulties along the lines of least resistance.

John Morley, secretary of state for India, received a telegram from the British Indians, residing at Vancouver, asking for protection as British subjects, and he announced in the House of Commons, yesterday afternoon, that the Indian government and the colonial office contemplated sending an envoy to the Canadian government in the hope of bringing to an end, if possible, "this extremely difficult, intricate and possibly dangerous situation."

The most keenly-fought bye-election for the present parliament, which was necessitated through the death of Charles Goddard (Clarke, member for Heckham, a district in London, south of the Thames, resulted, yesterday, in a great victory for the unionists, whose candidate, S. C. Gooch, was elected by a majority of over two thousand. Yesterday's contest centered largely in the government licensing bill and the conversion of a large

A Korean Admits He Shot Stevens.

THE CAUSE OF IT ALL

CHANG IS READY TO DIE AS A MARTYR.

Says Stevens Was Responsible For Much Bloodshed and Betrayed His Trust—Claims the Koreans Are Not Happy.

San Francisco, March 25.—I. W. Chang, the Korean who shot Dr. Stevens, diplomatic attaché of the Korean government, has made a written statement from which the following extracts are taken:

"This day I shot Stevens. I shot him because he was the main factor in the Japanese reign of bloodshed and oppression in Korea, and because he, as the head and adviser of the regime, was responsible for the deaths of our fathers, mothers and brothers in Korea."

"Stevens is the adviser of the Korean government, but who is working for the interests of Japan and against those of the nation which looked to him as an American for justice and good rule. He has endeavored to make the people of the United States of America believe that the Japanese protection of Korea was the best thing for that nation in the present, and will be so in the future. He lied when he said that the Korean people were happy under Japanese rule. So I, for his falsehoods, shot Stevens."

"If I kill him and I die, it will be a warning to others who take his place to rule justly and deal with the people in his care with kindness and humanity. I will make no appeal for the punishment that will be meted out to me, and should my act aid my country in struggles for freedom I shall die nobly and well. I shot Stevens, and I wish to die."

THE CHANGES

To Be Made In The Ontario Constituencies

SOME 58 UNCHANGED

Ottawa, March 25.—The details of the proposed changes in the old Ontario constituencies were submitted to the Hon. Mr. Whitney to the special committee of the legislature which is considering the redistribution bill. The committee also passed a list of twenty-five constituencies, which will remain unchanged. In all fifty-eight ridings have been passed unaltered. The remainder will be divided practically by the Rideau canal.

These ridings remain unchanged: South, Centre and North Bruce, East and West Elgin, Haldimand, East and West Kent, East and West Lambton, Lincoln, Monck, North and South Perth, East, Centre and West Simcoe, East, North, South and West Toronto, South, East and West Wellington and Welland.

In Brant county Brantford is simply transferred from South to North Brant. In Hastings county there are to be three constituencies, as in the past, but Huntingdon township is taken from the north riding and placed in the East. The county of Huron is to be divided into north, centre and south ridings, instead of east, centre and west.

The only change in the three divisions of Middlesex are that Metcalfe township and the town of Strathroy are taken from the west riding and placed in the north. Township is taken from the north and placed in the west.

East Northumberland remains unaltered, but the township of South Monaghan is added to West Northumberland. The township of West Northumberland is removed from West Peterborough. The other Peterborough constituency, the east, is given the village of Lakeshield, in accordance with the wish of the people of that municipality.

The changes in York county are as follows: All the village of Stouffville, now partly in North and partly in East York, is to be included in East York. So also is the town of North Toronto, which was formerly in West York. Cardwell, a made-up constituency, will remain. One of the townships near it, namely Allison, will, however, be given back to Peel.

Leeds and Brockville have to be considered together. It is proposed to make the population even, as far as possible. This leaves Carleton, Lanark, Grey and Ottawa to be considered.

WEDDED A DOCTOR

ANEVENT AT CAMDENEAST A WEEK AGO.

Whelan Was Sent to Jail For a Month—People Are Still Leaving For The Far West.

Napanee, March 25.—A very quiet wedding was celebrated, on Wednesday, March 18th, at the residence of the bride's aunt, Miss Annie Sproule, Camden East, when her niece, Miss Lulu Hinch, only daughter of George S. Hinch, was united in the holy bonds of matrimony to Dr. Youree, Queensboro. Rev. Mr. Dowdell, Selby, led the nuptial knot at the hour of 1 p.m. After a brief honeymoon the couple will reside at Queensboro, where the groom has a very lucrative practice.

On Saturday last, Chief Graham arrested Charles Whelan, of Watertown, for stealing a Dominion bank book and gold chain from W. D. Drury, Newburgh. Whelan tried to get the money, but the bank officials could not see it that way. Whelan came before Police Magistrate Rankin, on Monday, and was sentenced to thirty days in jail.

Dr. Appelle, Sask., resided with a brother, Mrs. J. Doyle will leave, this week, for Olds, Alta. Mr. Doyle started, this week, with a car of stock for the west. Arnold Wolfe has purchased Irvine Vanalstine's printing business and started his new job yesterday morning.

THE TOWN OF GANANOQUE GETS ITS REQUEST.

An Inspector Appointed—Police Magistrate Soon to Be Named—Erecting Big Residence on Leek Island.

Gananoque, March 25.—At Lansdowne, on Saturday evening, the St. Lawrence hockey team defeated the Hamblers, of that village, in a good last game by a score of 8 to 4.

Miss Edith Rogers, Stone street, held an organ recital for the pupils of her class at her home, Monday evening.

The deputation appointed by the town council to go to Toronto, and lay before the Ontario legislature the question of prohibiting the use of nets in the St. Lawrence river, between Kingston and Brockville, and the Gananoque river, as far as Marble Rock, has performed its duties and as a result an appointment has been made to locals who will look after United States infringement of the fishery laws, and also local infringement of law regarding the use of nets. No further license for netting will be granted and those now current will be discontinued as soon as their term expires. The newly-appointed inspector will be duly gazetted in the course of a few days.

The lively business of William Griffin, King street, was sold out on Saturday, under the requirements of a mortgage. It is understood that the greater part of the stock was bid in by Mr. Griffin, and that he will continue.

Work has already begun on the large residence on Leek Island, which is to be put up this season. The work of underbrushing and clearing up was done late in fall. It is expected that this will be the time of the season one of the handsomest residences among the islands adjacent to the town.

The mild weather during the past few days has caused the great snow heaps that lined the streets of the town to go down very rapidly, causing in a great many places a filling of the adjacent cellars with water, some having as much as three feet in depth.

It is understood in town that an order-in-council has been issued appointing a new police magistrate for Gananoque. The name of the person appointed has not yet been made public but will be duly gazetted in the course of a few days.

Messrs. Reginald and Elmer Scott, Wellington street, left, during the past few days for Cobalt, where they will spend the summer. Mrs. H. Moore, King street, who has been spending a few days with relatives in Kingston, has returned home. John Shields, of Fort William, who has been spending a couple of weeks here with his family, on Charles street, left for the west again, to-day.

Moved to Toronto.

Hugh Taylor, teller in the local branch of the Standard bank, has been moved to Toronto, and will leave in the course of a day or two to take up his new duties. Capt. Taylor will be a great loss to the 14th Regiment, as he has always been one of the most popular officers.
