Worst Case of Eczema Doctor Had Seen in 40 Years - For Six Months Father Expected His Baby to Die-Blood Oozed Out All Over Her Body-Had to Be Wrapped in Silk and Carried on a Pillow-Now She Is Perfectly Cured.

### DOCTOR RECOMMENDED **CUTICURA REMEDIES**

"My little girl was born two weeks hours after the birth of our child and I had to raise the baby on arti-ficial foods. Six months after birth she broke out and I had two doctors in attendance.

There was not a particle of skin left on her body, the blood cozed out just anywhere, and we had to wrap her in silk and carry her on a pillow for ten weeks. She was the most terrible sight I ever saw, and for six months I looked for to go to her mama, but thank God and his agents, she is alive and well to-day and she will be three years old the seventh of December and has never had a sign of the dread trouble since. "I used every known remedy to allelate her suffering, for it was terrible to witness. Dr. C—— gave her up and then I went to C—— F—— and got and he and Cuticura Scap Cuticura Ointment saved her. He ended the Cuticura Remedies, r said we were right in making use of em. As nearly as I can remember, used eight cakes of Cuticura Scap three boxes of Cuticura Ointment; ut you must take into consideration t hers was an exceptional case, for old and good doctor said that it was the worst case that had come to him in forty years. I have always hinged on Cuticura Soap to keep her skin soft and J. Smith, Wood and Metal Pattern Maker, Box 234, Buena Vista, Va., Oct. 14 and 22, 1906."
