That on the communication of W. J. Crothers, asking for reduction in the amount of his assessment, this request be not granted.

The Tree Discussion.

Ald. Nickle said it was a pity if the fine row of eim trees on George street was to be cut down as recommended in the board of works' report. Surely the trees could be thinned out. Ald. Nickle said he was opposed to cutting down trees. Ald, Carson said he was of like opinion

they would want the trees cut down meeting the condition of the gas hold just as well as Mr. Kent and the and as to its possible repairs." and Twice as Productive the houses and caused a great damp- told him it would cost about \$40 The trees, the board of works' chair- ing it wouldn't cost more than \$50. man explained, were not on the gene. Ald. Graham said that Mr. Tait
