BODY CLEANING EVERY SPRING MORE URGENT THAN HOUSE CLEANING. Many Women Have Discovered That a Course of Treatment With Pe-ru-na Cleanses the System of the Accumulations of Winter.

MRS. ALICE BRADLEY.

Mrs. Alice Bradley, Thorold, Ont., Can., writes: "Two years ago I became weak and rundown and as time passed I gradually failed until a year ago, when I experienced a stroke of paralysis, which affected one side and I was helpless. I called in professional medical treatment, but steadily grew worse. I had decided I never would rise again from my bed, but when Peruna was brought to me and after having taken four bottles of it, I was able to be out and a wonder to myself and friends. I consider Peruna a great blessing to the afflicted. I may add that my daughter has also used Peruna and has been blessed with renewed health. I believe Peruna saved our lives."

Clean Up Once a Year. CLEANING UP the body in the spring is a duty everyone owes to himself. Face powders may hide a rough skin, but Peruna helps to produce a skin that need not be hidden. The source of good blood is good digestion. Perun cleanses the system. These people who have regular bodily functions have a clear and delicate skin. Peruna helps to restore these functions. Most skin deformities depend upon systemic derangements which cannot be corrected by local treatments. Peruna is a systemic remedy, reorganizing and regenerating the whole body.

Health and Complexion, Strength and Beauty Depend Upon Clean Blood and Good Digestion.

Mrs. Daniel Passmore, Welland, Ontario, Can., writes: "For three years I was severely afflicted with stomach trouble, and for days at a time I could not eat anything. I grew thin in flesh, had headaches and was the picture of despair. I was attended by three doctors, but got no good results. Finally I began the use of Peruna. I soon noticed an improvement and after using three bottles, I was able to relish a meal, in fact, could eat anything. To-day I feel well and strong. I consider that Peruna has saved my life and I shall always praise it."

MRS. DANIEL PASSMORE.

Mrs. N. P. Lawler, 423 1/2 N. Broadway, Pittsburg, Kan., writes: "Last spring I caught a severe cold which developed into a serious case of catarrh. I felt weak and sick and could neither eat nor sleep well. A member of our club, who had been cured of catarrh through the use of Peruna, advised me to try it and I did so at once. I expected help, but nothing like the wonderful change for the better I observed almost as soon as I started taking it. In three days I felt much better, and within a week I was well. I continued taking the entire bottle and within two weeks I was in fine health." "Peruna is a wonderful medicine." Mr. Lee King, R. F. D. No. 4, Farmersville, Tex., writes. "My health has been better generally this spring and summer than it has been for four years and I have worked nearly every day. I suffered with dysentery and bowel trouble. Your remedy also cured my wife of constipation. I wish you continued success with your great medicine, Peruna."

Invalid Ladies This Is For You.

There are thousands of females who suffer untold miseries common to their sex. This is largely due to the peculiar habits of life and fashion, and the improper training of girlhood. Then, too, the physical changes that mark the three eras of womanhood (the maiden, the wife, and the mother) have much to do with her sufferings, most of which are endured in silence, unknown by even the family physician and most intimate friends.

To all such whose hollow cheeks, pale faces, sunken eyes and feeble footsteps, indicate nervousness, palpitation of the heart, weak, faint and dizzy spells, we would earnestly recommend a course of Milburn's Heart and Nerve Pills.

Mrs. Jos. Sharp, Brighton, Ont., writes: "I was troubled with palpitation of the heart, weak spells and nervous trouble, and found no relief until advised to try Milburn's Heart and Nerve Pills. I got one box and that helped me so much I soon got five more. I am now cured completely."

Milburn's Heart and Nerve Pills are 50c per box or three boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
