Lacrosse Players Not Yet Out—Y. M. C. A. Intermediate Road Race—The Kingston Baseball League Executive to Meet.

A movement is on foot at the Y.M. C.A. to organize a bicycle club and a meeting for the purpose of organization has been called for to-night. It is the intention to hold runs on Saturday afternoons during the summer and a most pleasant time is being looked forward to.

A Word To Lacrossists.

The lacrosse men have not made their appearance yet, and it is to be hoped that they will not drop the game now after having gone so far with it last season. A good team could be secured here and some good matches arranged.

School Boys Playing.

The school boys are certainly enjoying their holiday. Every morning and afternoon the cricket field is well filled with different crowds of boys playing baseball. Victoria and Frontenac parks also have their share of faithful baseball players.

Intermediate Road Race.

The intermediate road race to be run by the Y.M.C.A., after the big road race on Victoria day, promises to be a most interesting event. Several of the members are getting into fine shape, and some of them have shown great speed.

Sporting Notes.

The C.L.A. has issued 1,277 certificates to players. It has declared in favor of amateurism again and has adopted a residence rule. A man must reside in the town he intends playing for from the first of January.

Charles Petch, of Toronto, who joined the Federation Athletic union, so that he could compete at Boston, occupies the unique position of having joined a professional body so that he might compete in an amateur race.

The pool tournament for the national professional tournament, in progress at Chicago for two weeks, came to an end Saturday night. Frank Sherman, of Washington, D.C., was the winner. He finished with six victories and one defeat.

Tommy Burns, the world's champion heavyweight, who knocked out Jewey Smith in the fifth round of their ten-round contest Saturday, at Paris, could have finished him at any stage of the contest, but kept stalling off the knockout. Burns left the ring without a scratch, and it was one of the easiest battles he has fought on this side of the ocean. The men fought for a purse of $12,000.

A PECULIAR CASE

Is a Promise Not to Marry Binding?

Sandwich, April 22.—At the spring assizes, beginning next Tuesday, Justice Anglin will be called upon to decide whether a promise to not marry is binding. A suit has been brought by Miss Susan Bradley against her brother, a Windsor man. Miss Bradley alleges that in 1905 she gave up a lucrative position in Toronto to become her brother's housekeeper and care for his motherless children upon his promising that he would not marry again and that he would always provide her with a home. Mr. Bradley married some time in January and his sister sues for six thousand dollars damages, or failing this for a salary at the rate of $450 per year for twelve years. The defendant claims that even if the promise was made, it would not be binding, as it would be against public interest, and further that Miss Bradley still lives in a house owned by her brother and that he still tries to provide her with all necessaries.

THE MISTRESS SUES

To Recover Property—Angry Wife Also Hustles.

Montreal, April 22.—The sequel to the discovery recently made in a Stanley street flat, of Charles Ferguson, living with Lena Anderson, by the angry wife who arrived on the scene from Spokane, is an action by the Anderson woman to recover her property left in the flat at the time of her departure with Ferguson. In the meantime, Mrs. Ferguson is hurrying back to Spokane to prevent Ferguson from selling the proprty there, which belongs to her, and which she believes he will try to do. Mrs. Ferguson found letters in the flat which she claims would create a sensation in business circles if she made them public.

The greatest quarrels in the world's history have been between people who were once friends.

HAMILTON'S VICTORY

OVER THE LOCAL Y.M.C.A BASKETBALL TEAM.

The Visitors Won By 44 to 13—The Ambitious City Team is a Fine Aggregation—How the Play Went.

The basketball match at the Y.M. C.A., last night, between the local team, and the champion Hamilton team, result in a victory for the visitors, by a score of 44 to 13.—At half time the score was 25 to 7. Although beaten, the local team put up a strong defence, and at times the champions were pressed very hard. Their showing altogether was a most creditable one. There was a good turnout at the match.

The Hamilton team plays a great combination game. They are accurate in their shooting, and very quick in their passing. One member of the Hamilton team has been playing the game steadily for seventeen years, and he has the game down "pat," as the saying goes. All the players are fast, and are certainly deserving of the praise which has been given them. The team has played twenty-eight games this season, and won all of them, and this is certainly a fine showing.

A fast intermediate game was also put on, between teams captained by Messrs. McCartney and McCormick, Capt. McCartney winning out by the close score of 19 to 20.

REV. C. W. CASSON.

The Wider Worship.

"Every generous action, every honest thought, every sincere effort to do right, is really a part of the worship of God," said James Freeman Clarke. Is not this a better conception of worship than that it is merely a ceremonial bowing down before God. Truly, worship is more a matter of work than of words, more a matter of service than of services, more a lifting up of our fellow men than bowing down before God. It is this better kind of worship that the Unitarian church is trying to practice and proclaim. It seeks to worship God by working for man, to serve God by serving mankind.

Address, Rev. C. W. Casson, at 25 Beacon street, Boston, Mass., for the literature.

SPLIT, BRITTLE, DULL HAIR.

All Come From Dandruff, Which is Caused By a Germ.

Split hair, hard hair, lusterless hair, brittle hair, falling hair, all owe their origin to dandruff, which is caused by a measly little microbe that burrows into the scalp, throwing up the cuticle into dandruff scales and sapping the vitality of the hair at the root, causing the several diseased conditions of the hair till it finally falls out. Modern science has discovered a remedy to destroy the dandruff microbe, which is combined in Newbro's Herpicide, the delightful hair dressing. Allays itching instantly and makes hair soft as silk. Take no substitute; nothing "just as good."

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Sold in two sizes, 50c. and $1. G. W. Mahood, special agent.

A STRIKE AT OTTAWA.

Union Brick Layers Object to Reduced Wages.

Ottawa, April 22.—A strike is on, to-day, on the new Y.M.C.A. building, of which Peter Lyall & Sons, Montreal, are contractors. The trouble is that the union bricklayers on the job refuse to handle material supplied them by non-union builders' laborers, and this morning twenty-five of them walked off the job. The union wage for builders' laborers in Ottawa is twenty-five cents per hour, but owing to the large number of newcomers to the city, the contractors were able to get men from fifteen to eighteen cents per hour, and so were not paying more. The work is completely tied up.
