AN INSPIRING BOOK.

"The Next Step in Evolution," By J. K. Funk.

"The Next Step In Evolution," K. Funk, of Funk & Wagnalls company, New York, has reached its tourth edition because of its force and beauty of thought. It is a religious | they met a countryman mounted on a senal of epigrams which sing home like bullets. Its scientific temper and They smiled contemptuously and passbreadth of view are admirable. A lew ed on. Before they had cone many extracts will denote its style. There is no more unfailing sign of the

eight persons were killed and fifteen of loving beyond the provincialism of had returned to the palace the king seriously injured at Cargantau siding. the family, the class, the reprimanded the philosopher severely. west of Maltrata, on the main line of lation. "Ye are brethren." All things | "I met a countryman," said he the Mexican railway, yesterday, in a in common was not an impracticable | "and he knew more than you do. He collision between a freight and the dream, but a fundamental law of the told me that it would rain, whereas second section of a special excursion kingdom of the spiritual man. We you told me it would not." The king als," said Mr. Luxenburg. "They insun. We feel its growing heat. If we made his appearance. do not love our brethren whom we "Tell me how you knew it would have seen, how can we love God whom | rain ?" said the king. we have not seen? What do ye mean ! by the communion of saints, ye who pray it Sunday by Sunday? Spell it "And how, pray, did he tell you? out. Brotherhood is not a fiction of the imagination. Communion is not a Pentecostal fantasy. A living Christ is to-day more than ever on earth an aggressively unifying force.

We look back all along the conflict of the ages of evolution; we now see, in the changing of the dunghill into shrubs and roses and into food, the prophecy of all, and we marvel at our blindness in not knowing that the most manifest thing in all the world, and at all times, was God the Father Finekass wants office." Guild, Gwatkin, Macdonald, Salsbury, at Campbell Bros., Kingston's style working for good, whom again and again we have compelled to cry out n pain (for God can suffer pain) "The reproaches of men have broken My heart." Looking backward, we begin to see the good in everything, that there has not been a fall of a sparrow without accompanying provision for the sparrow, and we grow enthusiastic and shout with th martyr of old: "Glory be to God for everything that happens !"

> He lights the sun and sweeps the universe that He may find the missing coin. He goes after the lost sheep, leaving the ninety and nine; He yearns for the returning prodical. His is untiring, infinite love. More valuable to Him is the most worthless of men han many sheep to the human shepherd. There is pain in the Father's heart until the wanderer returns; nor will that pain cease until somewhere and somehow in the universe the last vanderer has returned.

To the Roman soldiers who may have heard it, how unsubstantial was the sermon on the mount; yet it? truths of the brotherhood of man, of the fatherhood of God, of meekness, of loving, of justice, of faith in the inner things, outlasted the Roman armies, saw that empire ground to dust, and their speaker, nineteen hundred years afterward, by far the most potent personality that ever lived.

Science has yet so to enlarge its horders that it will grasp a sucreme truth like this one : The Christ idea. supports our experience more fully answers more questions, meets more necessities, fills out more completely the deepest aspirations, and awakens higher motives than all other ideas combined. Science is not so far from grasping this great truth as it seems

Same In Munich. A German baron visiting in Now ork was smoking and chatting with few friends over some tall, delicate lasses more or less full of beer when one of the company asked him how he liked the beer he found in this city. "Excellent," he replied. And another questioner asked him whether he referred to the New York made beer, adding: "Most of us think we have to have the imported beers if we want the best. 'And to what beers do you refer?'

the baron asked. "To these of Munich and Pilsen." And the baron, who is a Prussian and a diplomatist, gave his companported beers with us."

CLASS LEGISLATION Of Whitney Will Not Be Telerated By Farmers.

Kincardine Recorder. Some of the legislation by the White ney government has not proved as acceptable as was anticipated. school legislation was very unpopular to all, irrespective of politics. The government measure provided for minimum salary for rural schools. If this was good legislation why was it not extended to towns and villages? Why was the farmer singled out and compelled to do that which urban astrous fire visited this town at 2:19 school boards were given a free hand this morning. At that time the Huff- in. An Old Story Revived.

A number of politicians, all whom were seeking office under the government, were under a tavern porch, when an old toper named Joel --- loquacious when corned, but ex-

he spoke : "A certain king had a philosopher upon whose judgment he depended Now one day the king took it into his head to go hunting, and summoned his nobles, and making preparations, he summoned the philosopher and asked him if it would rain. The philosopher told him it would not. and they started. While journeying liackass. He advised them to return, for, said he, 'it will certainly rain. miles they had reason to regret not having taken the rustic's advice, as a earnestness of Christ than the growth shower drenched them. When they

"I didn't know," said the countryman! "my jackass told me so." asked the king. "By pricking up his ears, your

majesty," said the rustic. The king then sent the rustic away and procuring the jackass of him, he placed him, the jackass, in the office the philosopher filled. "And here," observed Joel, looking very wise, "is where the king made a great mistake.

"How so " inquired the auditors. "Why, ever since that time," said Joel, with a grin on his phiz, "every

> vote that class legislation is one of police inspector and four men with the things that will not be tolerated fixed bayonets and two watchmen with "The ruse of the telegram was, was afterward told, due to the fear

that I had a concealed bomb, which I of might have hurled at them in a n ment of desperation. "The police inspector said abruptly

I have orders to search your root and arrest you. "The search was thorough. Even the sofa was pulled to pieces. But told him to "fire away." whereupon only 'revolutionary' packages that were found were 150 samples of boot

and price books. "The police inspector, when the search had ended, bluntly declared There has been a great blunder

When I protested against detention he replied: 'I must obey orders.' H waited awhile, and then telephoned to headquarters that nothing suspicious had been found in my possession, and that he had 'absolutely no doubt' of my having been wrongfully arrested. "The reply came that nothing could be done. But one of the wardens i sisted that I should be placed in comfortable room, as I should not

long there. Mr. Luxenburg's description of thi 'comfortable room' was startling. It was small and ill-ventilated, a sort of "Russian Black Hole.

"I was herded with seven criminbasis. We are speeding toward that sent for the countryman, who soon Hundred, who was a blackmailer and "He was an ungainly fellow, over-

bearing and dishonest. He had appropriated the one bed in the room; the others had to huddle on the floor. "As soon as I entered he demanded five rubles for the poor. I gave him them and he pocketed them. He stole the food that was sent to me by my

agent, Mr. Samuely, and made himself as objectionable as he could. "He had amazing license, too, and would drive out with wardens, turning to the prison hopelessly

"I could not eat the black bread and soup that was served to me. The soup was a dirty, evil-smelling, indescribably replusive concoction. The Black Hundred man intercepted all the food that was sent in, so that I tasted nothing from March 8th until March 10th, except an occasional cup of tea which the warders brought me.

"I was removed to the Turma-a sort of Holloway-on March 10th. This was clean and, in a sense, bearable, especially since I was placed among the 'political' prisoners. "The room I occupied was on the fourth floor and was shared by a young student, named Gross. There was only one bed-a narrow, hardcouch, that swung from the wall and could be fastened up in the morning. 'I had a pillow and a rug, which were brought to me; but I grew so

"No visitors are allowed, except a father, mother, brother and sister. I complained of illness; but no doctor was permitted to visit me. "I wrote to the British consul, but
