FOUND NOT GUILTY

THREE YOUNG MEN WIN OUT AT LAST

In a Charge of Perjury Made Against Them—They Had Charged the Wrong Man With Shooting at Them.

Sandwich, Ont., May 1.—Roy McGregor, Aylesworth Calder and Arthur McKee, of Tilbury West, principals in a fight that has been in the courts for two years, were acquitted on a charge of perjury brought against them in connection with a suit in which they were prosecutors at a former court. They charged Oscar McCracken, a neighbor, with shooting at them one night as they were driving past his house, but McCracken proved an alibi, showing that he was away getting married that day, and Justice Riddell, before whom the case was heard, felt it his duty to order the three indictments on a perjury charge. In dismissing the charge, Justice Anglin said the jury did right in bringing in a verdict of not guilty.

CHURCH TOO FEMININE.

Dr. Gladden Pleads For Man Power in Religion.

Detroit, May 1.—Governor Frederick M. Warner welcomed the delegates to the first national convention of the Congregational Brotherhood, in the First Congregational church. Dr. Washington Gladden, of Columbus, Ohio, made a vigorous plea for man power in the churches. The venerable clergyman said that men should have a greater part in the establishment of the Kingdom of God in this world; for the church should not be feminine, but rather masculine in character. He said the men should be enlisted for the sake of the boys. Without the men it is impossible to reach the boys. The church is not a well-rounded, symmetrical institution when two-thirds of its members are women.

WORKMEN IMPORTED

Ottawa, May 1.—Three brick making companies of Ottawa have consolidated with an authorized capital of $150,000. They are: Odell Bros., Morris & Ballantyne and T. M. Mulligan Co. They will locate a big plant at Billings Bridge, as the Peerless Brick and Tile company.

Messrs. R. Lyall & Sons, who are erecting the new Y.M.C.A. building here, and who are delayed by the strike of bricklayers and laborers, this morning imported a carload of men from Montreal. They are at work at the building, and no disturbance has yet occurred. The labor men are seriously annoyed.

Was Not Properly Qualified.

Toronto, May 1.—A curious point was raised in a motion made before Justice Teetzel to quash the local option by-law in Howick township, in the county of Huron. The grounds for the motion are that the former clerk there died, and the widow continued the duties of the position. She married again, her second husband doing the work and she signing all the documents. It is claimed that by her marriage again she lost her personality, and is no longer clerk. Judgment was reserved.

LEOPARDS ESCAPED

TWO JUMPED BARRIER AND LANDED AMONG PEOPLE.

One Boy Badly Clawed—Serious Panic Was Averted By the Prompt Action of a Police Sergeant.

Baltimore, Md., April 30.—During the performance at the Zoo, last night, two leopards jumped the barrier, landing among the audience. A boy, Louis Long, was badly clawed about the face and neck, and a panic, that would almost certainly have meant the loss of many lives, was averted by the prompt action of Police Sergeant Barranger in closing the exit door and allowing only one or two of the terrified people to descend the stairs at a time.

There were several hundred persons in the audience when several leopards were let into the arena, which is surrounded by steel bars, for a performance. Two of these were sulky, and one is said to have been irritated by Long, who was close to the top of the cage. This leopard jumped toward the boy and scrambled over the top of the cage, and was immediately followed by another one of the beasts. The first one clawed Long savagely. The people in the audience were terror stricken.

One of the leopards dashed down the stairway to the office and Barranger slammed the door. Then the crowd rushed toward him, but he held them back until they were calm enough for a few at a time to be allowed to leave the building. On the floor above the arena is a skating rink, and here also the police locked the doors and held in the crowd until all danger of panic was past. The leopards were cornered, one in the office of the Zoo and the other in one of the dressing rooms, by trainers, and were returned to their cages.

THE PARAGRAPH PULPIT

Unitarian.

REV. C. W. CASSON.

No Prejudice.

The Unitarian church is a church without prejudice. Its members seldom look askance at one having a different belief. It is willingly conceded that all others have just as good a right to consider their conception of religion true. While it is unable to accept a belief in a triple God, there is no objection to others having as many persons in the Godhead as they choose. Indeed, it is quite possible for one having any conception of God to find place in its broad fold. It is the spirit that counts most,—the spirit of honesty, sincerity, tolerance, loyalty to that which seems most true.

Address, Rev. C. W. Casson, at 25 Beacon street, Boston, Mass., for the literature.
