SEARCH FOR PRIVATE MOIR

Soldier Wanted on Murder Charge Still at Large.

It is reported that detectives are searching for Private Moir, wanted on a charge of murder, at London, at his old home in Lanark. The murder and escape of Moir has caused quite a stir all over Ontario, and the fact that he has been able, so far, to escape the clutches of the law, is a puzzle.

Moir attended the camp at Barrie last summer, and the case has caused much interest among some of the soldiers here who were acquainted with him.

The Kingston police received a circular giving a description of Moir, and similar circulars have been distributed to the police all over Canada and the United States. The detectives working on the case have followed out every clue, but have been unsuccessful.

It is believed by some that Moir has crossed to the American side. No reward has as yet been offered for his capture, and it is the general opinion that one should be offered.

COMING TO THE GRAND.

The Primrose Minstrels to Be Here on Tuesday.

George Primrose and his mammoth company, of black-faced artists, will do and say funny and decidedly foolish things at the Grand on Tuesday, May 5th. Mr. Primrose (himself) heads the organization and has taken particular pains to surround himself with a company of comedians, singers, dancers and musicians of the first order.

The second part of the entertainment will be a new departure in minstrelsy. Along with vaudeville, there will be introduced some very novel ideas, depicting negro life in Dixie with song, dance and story.

"The Red Mill."

The Red Mill," the much discussed comic opera by Henry Blossom and Victor Herbert, presented by Charles Dillingham's company will be given at the Grand on Thursday, May 7th, in the same complete manner as during its all-year run at the Knickerbocker Theatre, New York City, where the innumerable features of the escape from the mill, the Dutch Kidnappers, the Broadway Showman, the Fifth Avenue Girls, the Boxing Dance, the Motor Beauties, the Bowery Belles and the no end of Victor Herbert brilliant and popular music, will all form an entertainment of refreshing refinement and good cheer, with all the requisites of an unusually clever performance.

MUST SEVER THE TIES THAT BIND QUEEN'S TO THE CHURCH.

The General Assembly Must Do This Or Guarantee Adequate Financial Support—Trustees Can No Longer Delay.

In discussing the church separation movement, a trustee of Queen's University stated that the general assembly must, however, sever the ties that bind Queen's to the church, and it would be against the university's best interests if the petition of the senate is not granted. He holds that the Presbyterian church cannot support Queen's. Two years was the time given for raising the half million dollar endowment, and yet in nearly five years, only \$310,000 has been raised, with the promise of the last \$100,000 from Andrew Carnegie. In reality, he declared that only \$160,000 has been raised since the general assembly decided to retain Queen's, as \$100,000 was promised, before that time, \$30,000 is merely a verbal promise, and \$30,000 is contained in a will. And the enthusiasm that was kindled by the assembly meeting of 1903, has died out.

"The general assembly," said the trustee, "must free Queen's of church connection, or it must guarantee to support it, and not merely recommend it to the liberality of the Presbyterian constituency in Canada, as it did in 1903. The trustees cannot shoulder the burden of financing the institution unless a larger endowment fund is secured very shortly."

DR. SPANKIE TO RUN

AGAINST J. S. GALLAGHER IN FRONTENAC.

The Liberals Will Not Have a Candidate—Dr. Spankie Will Run As Independent—Liberals Will Support Him.

It has been practically decided that the liberals of Frontenac will not nominate a candidate to oppose J. S. Gallagher, M.P.P., for the Ontario legislature. At the present time they have no one who will contest. There are several leading liberals in Frontenac who would give Mr. Gallagher a close run, despite the fact that that county has been one of the hives of Toryism since elections were first held in the province. But those who are capable of ousting Mr. Gallagher from his seat have no desire to enter political life.

The liberals may give their support to Dr. William Spankie, of Wolfe Island, who will enter the field against Mr. Gallagher as an independent candidate. Dr. Spankie, it is understood,

DR. WILLIAM SPANKIE.

is opposed to the Whitney government's educational policy, and would like to spend four years in education of the legislature to urge some revisions for the betterment of the public schools. He has had many years experience as county inspector of schools and is ably qualified to speak on primary and secondary educational matters.

Dr. Spankie's interest in education that prompted him to accede to the wishes of his friends to nominate him in convention some months ago. Unfortunately for him Mr. Gallagher had his followers together, while Dr. Spankie had not, and the former won the convention. Ever since there has been friction between the friends of each of these men. It is thought that Dr. Spankie can carry the county against Mr. Gallagher as he is known in every nook and corner of it.

Dr. Spankie is a heavy weight in this sense, and the rear townships should carry him to victory.

LICENSE FEE FIXED

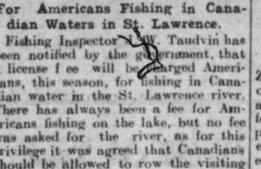

For Americans Fishing in Canadian Waters in St. Lawrence.

Fishing Inspector W. T. Taudvin has been notified by the government, that a license fee will be charged Americans, this season, for fishing in Canadian waters in the St. Lawrence river. There has always been a fee for Americans fishing on the lake, but no fee was asked for the river, as for this privilege it was agreed that Canadians should be allowed to row the visiting Americans to the different fishing places. It is claimed that this privilege has not been granted, the work being given to Americans, and for this reason, the government has seen fit to impose a fee for the privilege of fishing. The fee has been fixed at \$5 per single rod, for three months, and \$10 for a family, or \$2.50 per rod, providing the American is living on the Canadian side.

Drawing Big Crowds.

WON BY RED HUSSARS

THE DRILL CONTEST AT "NEW ZEPHRA"

The Young Ladies Defeated the Little Cadets—The Production Last Evening Witnessed By a Large Crowd.

The fourth performance of "Queen Zephra," at the Grand Opera House on Friday evening, was witnessed by a large audience. Since its initial performance the production has been improving every time presented, and last evening it was given better than ever. Never has an amateur performance taken so well in this city as the "New Zephra," and it certainly deserves commendation, as a better production has never been witnessed. The many dances and choruses were well put on. The principals handled their parts in a highly creditable manner. Mrs. A. M. Telemachus, as the queen proved herself a talented actress. As the princess, Miss Ada Rosevear was all that could be desired. Miss Rosevear is possessed of a beautifully clear voice, her numerous songs being well received. Mr. Cummings, as King, Prince of Wales, and J. R. Booth, as the King, were both well suited to their roles.

The song hit of the evening was "Louisiana Lou," sung in fine voice by Miss Norma Hughes, Miss Hughes, who has before appeared before Kingston audiences, has always been a prime favorite and her work in Zephra has won her a host of new admirers. Miss Jessie Reid, as "Miss Ommodore," handled her part well, her song being one of the hits of the evening. The drill between the Red Hussars and the Highland Cadets was well put on and received unlimited applause. After the performance the judges, Col. Kent, Col. Young and Mayor Ross, awarded the prize for the drill to the Red Hussars. The mayor in a neat speech, said that after careful consideration they had arrived at the conclusion that the girls made a better showing than the boys. The verdict was greeted with applause.

"Zephra" will be produced to-night for the last time, and those who have not seen it will miss a rare treat.
