AT ST. PAUL'S VESTRY ADJOURNED MEETING WAS HELD LAST NIGHT.

Reports Presented Are Considered to Be Most Satisfactory—Warm Appreciation of the Work of the Vicar. The adjourned Easter vestry meeting of St. Paul's parish was held last evening for the purpose of receiving the financial report of the past year. The vicar, Rev. W. F. Fitzgerald, M.A., occupied the chair, and at 8:15 o'clock opened the meeting with prayer. A large number of the members of the congregation were present. After the reading of the minutes of the last meeting by the vestry clerk, W. J. Orr, A. E. M. Lowcombe, the people's warden, presented his report. The report showed the church to be in a solvent condition, and to have a cash balance on hand, after paying off many old debts and meeting the current liabilities. The fact that the warden was able to present such a satisfactory report, is due in no small measure to the untiring energy of the vicar, who worked early and late for the upbuilding of the church. The sidesmen for the year were then appointed. It was moved by R. F. Elliott, that the warden be instructed to forward to the widow and family of the late Capt. John Gaskin, an expression of the sympathy of the congregation for them, in their bereavement, and also of their great loss sustained by St. Paul's church, in losing such a faithful and devoted member. The underserving loyalty of Capt. Gaskin to St. Paul's was well known, and the excellent works that he did in renovating the grounds will remain a lasting memorial to his memory. James Berney, in seconding the motion, spoke of the great loss that the Orange order, as well as St. Paul's church had sustained in the death of Capt. Gaskin. A vote of thanks was passed to the ladies of the W. A. C. the Woman's and Girls' Guild, for their splendid work during the year. Votes of thanks were also passed to the choir, the organist, the teachers of the Sunday school, and the officers of the past year. A vote of thanks was passed to Col. Henry Smith, sergeant-at-arms of the House of Commons, for the kindly way in which he had come to the assistance of the warden, when it was proposed to improve the church grounds. A vote of thanks was passed to John L. Orr, for his assistance in improving the grounds. A committee consisting of Messrs. H. Youlden, H. M. Rutten, and J. D. Thompson, was appointed to co-operate with the warden in looking after the repairs to the interior of the church. The vicar was then asked to vacate the chair, and J. Berney was appointed chairman. R. F. Elliott, in proposing a vote of thanks to the vicar and Mrs. Fitzgerald, spoke in warm language of the deep appreciation of the entire congregation for their constant and devoted work for St. Paul's. Mr. Rutten, in seconding the motion, concurred in all that the mover had said. The vicar having suitably and feelingly replied on behalf of Mrs. Fitzgerald and himself, closed the meeting with prayer. The officers elected for the ensuing year were as follows: People's warden, A. E. M. Lowcombe; vicar's warden, R. F. Elliott; vestry clerk, W. J. Orr; auditors, H. M. Rutten and Mr. Conway; lay delegates to the synod, R. F. Elliott, A. E. M. Lowcombe, Mr. Powers.

Cochran, Commission \$75; judgment for plaintiff in full with costs. Annie Loelaw vs. F. Bejar—Bond, \$67.70; judgment for plaintiff in full. Iva F. Colet vs. Thomas Hogan—Wages, \$17.57; judgment for plaintiff \$15.22 and costs. There were two parties committed to jail for not paying after being instructed by the court. Will Return to Tweed.—J. E. Mitchell, who moved to this city a short time ago, from Tweed, will return to that place to engage in business. Although only in the city a short time, Mr. Mitchell made many friends, all of whom regret very much his departure. Just recently, Mr. Mitchell was appointed superintendent at Cooke's church Sunday school to fill the place of A. A. Shaw, who was compelled to resign owing to ill health, and the workers in the church and Sunday school will be sorry to lose him. Kingston Military Votes Deferred. In connection with the Kingston military votes, Hon. Mr. Pugsley stated in the house that the militia department had under consideration a scheme for constructing new barracks, for which a supplementary vote would be asked. In view of that proposal, he asked that the items \$10,000 and \$8,000 for a new gun shed and armory park respectively stand over, and this was agreed to. Another Kingstonian In It. F. J. Armstrong, the King street photographer, received word, to-day that he had won a freehold building lot, valued at \$50, from answering the advertisement of the Canadian Resort and Development company, Montreal. He suggested a name that would second place. Oranges! Oranges! Oranges! Edwards & Jenkin, Phone 775.

CREWS TRANSFERRED.

Smith's Falls Benefits By Railway Policy. Smith's Falls, May 5.—A C. P. R. change of great importance to Smith's Falls went into effect, yesterday, when the crews of the northern division of that portion of the line between Chalk River and Carleton Place were transferred from Carleton Place here. This means that Smith's Falls is hereafter to be the terminal point, and the men on that division who formerly resided at the "junction" town will of necessity have to make their headquarters here. Already fifteen crews have been transferred, and as this represents eighty men, the greater part of whom are married and have families, it will mean a very valuable addition to the population of Smith's Falls. As yet there is not enough available houses here to accommodate the increase, and the men will not be able to move their families here until autumn. A number of good dwellings will be rushed up, however, this summer. This move was decided upon by the C.P.R. company on the ground of economy. With Carleton Place and Smith's Falls both divisional points, extra crews were required to transfer freight between these two places, though the distance is only twenty miles. Now the run will be a direct one from Chalk River, which is only about one hundred and thirty miles distant.

RECTOR OF TRINITY.

Rev. W. T. Manning Succeeds Late Dr. Dix. New York, May 5.—Rev. William T. Manning, D.D., vicar of St. Agnes' chapel, in Trinity parish, and assistant rector of the parish, was unanimously elected rector of Trinity parish to succeed the late Dr. Morgan Dix, at a meeting of the Trinity parish vestry. Dr. Manning was called to this city as assistant rector of Trinity five years ago from Christ church at Nashville, Tenn. He was born at Northampton, England, in 1866, and came to the United States with his parents in 1878. He was graduated at the University of the South at Swannee, Tenn., where he subsequently took his degree in divinity. In 1891 he was ordained to the ministry of the Protestant church by Bishop Kip, of California.

CROPS IN FINE SHAPE.

Never Better For Years Says Provincial Secretary. Winnipeg, May 5.—Hon. J. H. Agnew, provincial secretary, has just returned from a trip through Manitoba, where he had a chance to see what the crops looked like. "They are better now than they have been for some years at this time," said Mr. Agnew, "and they are going along under the best of weather conditions just at present. The grain is well out of the ground and looking healthy. The recent frosts did no damage to the crops. Other years there has been frost on May 24th, when the wheat was up three or four inches, and we never had a better crop than this year. These little frosts will do no harm, and from present prospects will have this year the best yield we have ever had."

GRAND TRUNK TRAINMEN.

To Present Request For a New Schedule. Toronto, May 5.—Grand Trunk conductors and trainmen, after three weeks' session here, are now prepared to place their request for a new schedule before General Superintendent of Transportation Bronk. The new schedule will not include any great increase of wages, but rather a readjustment of old rates and conditions. These delegates represented the entire Grand Trunk system from Portland to Chicago. The new schedule, if accepted, is expected to go into effect July 1st.

FIGHT OR QUIT.

Burns' Bluff Has Been Taken and Will Be Pressed. London, May 5.—The National Sporting Club, the richest organization of its kind in the world, has called Tommy Burns' bluff, by offering a purse of \$12,500 the lesser to take \$2,500 with side bets of \$5,000 for a twenty-round fight between Burns and Johnson, on the night of the 10th. A representative of a New Jersey man has offered to wager \$5,000 on Johnson. Even the staunchest supporters of Burns admit that the matter has been put squarely up to Burns, who must now either fight or quit.

A Magnificent Gift.

Brockville, May 5.—Announcement was made through Mayor Cassitt at the regular meeting of the town council of the presentation to the town by Mrs. G. F. Bullford, of the lacrosse grounds for athletic purposes. The property, which consists of about four acres, is admirably situated at the east end of the town. It was the scene of many memorable lacrosse matches in the days when Canada's national game boomed here. Certain conditions are imposed by Mrs. Bullford for maintenance, etc., which the council adopted.

Granted Honorary Degree.

Montreal, May 5.—At a meeting of the senate of the Wesleyan College, yesterday, the honorary degree of doctor of divinity was granted to Rev. J. W. Graham, educational secretary of the church, and to Rev. C. T. Scott, B.A., the pastor of Douglas church, Montreal. At the same sederunt five young men were granted the degree of S. T. L. (licentiate of synthetic theology), while two others were admitted as bachelors of divinity, including Rev. A. B. Bunnels.

Are Reconciled.

New York, May 5.—Frank Gould and his wife are reported, to-day, to have reconciled their differences. Flower and garden seeds, always fresh at Gibson's Red Cross Drug Store.

NEWS OF THE WORLD

OCCURRENCES RECOUNTED IN BRIEF FORM.

Matters That Interest Everybody—Notes From all Over—Little of Everything Easily Read and Remembered. For the first time since 1876, the village of Galesburg Point is submerged. Hon. A. G. MacKay, with the electors of West Victoria at Lindsay on May 12th. King Edward and Queen Alexandra have returned to London from their Scandinavian tour. At Traverse City, Mich., "Uncle Dan" Whipple, aged 109 years, died from hemorrhage of the brain. Toronto's water, by analysis, compares favorably with that of the water of any large city on the continent. The resignation of Sir Antony Paton-McDonnell, undersecretary to the lord lieutenant of Ireland, will take effect in July. Mile. Stolypin, daughter of the Russian premier, was married, on Monday, to Lieut. Beck, the Russian naval attaché at Berlin. There does not appear to be an overabundance among the rural corps of Quebec district to turn out during the tercentenary festivities. The journeymen bakers of Ottawa ask a new scale of wages of \$15 and \$13 per week and have given the masters till the 16th to accede to the demand. Herman Buck, aged thirty-five, who arrived in Toronto, on Sunday, from England, is in St. Michael's hospital in a badly shattered condition. Buck is unable to tell how he came by his injuries. As a result of the Montreal authorities not allowing the socialists to hold a meeting on Champ de Mars, on the night of May 1st, they will take proceedings against the city. Justice Britton issued a winding-up order against the Canadian McVicar engine company, Galt, on the application of the Standard Bank, a creditor to the extent of \$14,631. There is a possibility that the Federated Textile workers' leaders will order out all the operatives in all the mills in Canada in addition to Montreal and Valleyfield mills. As the result of a hoax, two hundred police officers were massed at Montreal city hall, Monday afternoon. What was expected was a socialistic demonstration on the Champ de Mars. C. E. Tenny, late G.T.R., Quebec, was presented by the staff of his office with a beautiful writing companion in a morocco case. Mrs. Tenny was also the recipient of a handsome wrist bag. At Brantford, Ont., notwithstanding a strong defence, about forty strikers were sent up for trial by Magistrate Livingston, on a charge of watching and heckling the Back works on various days. The funeral of Alexander Cravell, one of the oldest residents of Anderson township, took place Tuesday morning from St. Joseph's church. Decease of Mr. Cravell was 103 years ago. Quebec lawyers, on behalf of H. J. Lyons, contractor, Montreal, entered suit for \$1,900,000 against the Matane and Gaspé railway and James Mitchell, contractor, New York. The object is to prevent the company signing a contract with Mr. Mitchell.

HE WAS "MUCH OBLIGED"

Man Sentenced to Life Imprisonment. Battle Creek, Mich., May 5.—Joseph B. Plant, a liquor salesman of this city, who, last Saturday morning, shot and killed Mr. and Mrs. Horton Jones, his wife's partner, in their home here, was sentenced to life imprisonment in the state penitentiary at Jackson. Blunt said "much obliged" when the judge passed the sentence on him. Before going to the court he declared he never felt better in his life, that he was now contented, and that if any attempt was made to show that he was insane when he shot his father-in-law and mother-in-law he would secure an attorney and fight it. "The folks are waste trouble for us," he said, "and I'm glad I did it."

Were Not Satisfactory.

Montreal, May 5.—J. H. Plummer, president of the Dominion Iron and Steel company, has issued a statement, to-day, in reply to that made by James Ross, president of the Dominion Coal company, a few days ago, with reference to the negotiations which have been in progress between the two companies looking to a settlement of the litigation respecting the coal contract. Mr. Plummer takes issue with the version of the negotiations as given by Mr. Ross and states that the proposals made at the meeting were not satisfactory to the steel company.

Said He Bought It.

Toronto, May 5.—On the charge of stealing a diamond pin from C. W. Ricketts, George Johnston, alias the "Big Swede," was in the police court this morning. Johnston has served nearly half his life in different penitentiaries on the continent. He told a story of paying \$10 for the pin in a pool room and the magistrate allowed a week's time to produce some evidence.

Caused A Fatal Fire.

Quebec, May 5.—A candle setting fire to the drapery in a room in which a corpse was laid out was the cause of a fatal accident at St. Raymond. The victim of the unfortunate catastrophe was a young man named Henri Duchain, aged twenty-two, and the corpse was that of his father.

Warden George Biggs, in North Bay, arrested himself as a candidate of the conservative party, claiming the support of a certain section as disavowed by the methods of election pursued by the nominating conservative convention. Warden Biggs, however, has decided to withdraw and thus leaves the field open to the two rival parties.

RAID ON FARMER HOME.

Relic Hunters Carrying Off Everything Movable. Watertown, N.Y., May 5.—Reports from Brownville state that relic hunters in hundreds struck that place Sunday with the result that about everything movable about the Farmer home was carted away as souvenirs of the recent murder. In many instances knives were used in chipping off casings, window sills and everything that had the least bit of a speck, which the relic hunters' imagination could turn into blood spots. The Brennan home was somewhat disturbed by the collectors, and in all probability should the present nuisance not abate after next Sunday someone will necessarily have to stand guard to protect the property before it vanishes.

IS SEEKING RELEASE.

He Says He is One of Merchant Service Sailors. Hamilton, Ont., May 5.—Sweeney Jones, who, in April, last year, was sentenced to Kingston penitentiary for two years and six months for attempting to blow up the West End plant of the Steel and Iron company, by turning off the water leading to the boilers, desires to be free again. He has petitioned for his release, the papers reaching the police magistrate to-day. Jones who refused to tell anything about himself at his trial, states in his petition that he was a seaman in the merchant service for eight years, and that he desires to go back to his old calling.

They will await in the harbor the arrival of the Atlantic fleet on Wednesday and will participate in the naval review. A Fearful Storm. St. Louis, May 5.—A thunder storm of unusual severity, accompanied by wind almost of tornado violence, swept over this vicinity early to-day, doing much damage and indirectly causing loss of life.
