BRODEUR'S HOUSECLEANING.

Now that the tumult and the shoutreport of the Royal Commission people had been saying for years. But 

had been obliged to look through his out to appreciate the great work of the person who has once experienced glance at the commission and scudthe pitchers and to enjoy a 1 to 0 the pleasure of a cup of delicious ded before the storm. He resigned. government he told Mr. Brodeur 300. Then the real crusade began to the fish hook cactus is the compass "The commission will take the skin belo the pitcher. The following year of the desert, for it always points to off your bones. If you take my advice you will clean out the department." Mr. Brodeur neglected this good advice until he came back from England and Paris, and then it was too late. The damage had been done Mr. Brodeur does not seem to have been guilty of any slackness on his return. He introduced a new system of accounting and undertook a numher of reforms in the department. But his predecessor, asymond Pretontaine, not a high type of statesman, had left him many questionable fardels to bear. Mr. Brodeur had not cleaned up when the commission stuck its nose in. But about Mr. Prefontaine's sins, the less said the hetter. The man dead and can say nothing. It tough to watch the efforts of
