that Victor Herbert is America's leadpeal to music lovers more than any

of his contemporaries. "The Red Mill" comes to the Grand on Thursday, May 7th.

Roselle Knott's Superior Co. With the never-fading desire please the people of Canada, the autistic nature, Roselle Knott has sur-

rounded herself with a cast of unusual expellence for her limited spring tour of "Alice-Sit-By-The-Fire." Foremost is that sterling actor, Andrew Robson, who has headed his own companes with distinction for the past four seasons. Maude Adams' late leading man, John McFarlane, who was 'Peter Hook," the pirate, in "Peter Pan," has been especially engaged for the part of Steve Rollo. Miss Viola Knott will enact the delightful role of the daughter, Amy, in the play. Isabelle McGregor will play the "slavey" part and Marion McDonald, late leading woman of the "Bonnie Brier Bush," will play the sympathetic role of the nurse. Ernest Truex, considered the best boy actor on the American stage, will play the younger son. The rest of the cast is in most competent hands. At the Grand on Saturday, May 9th, matinee and night. A Guaranteed Contract.

In order to meet the demand for guaranteed contracts, The North American Life proposes to offer one entirely unique in the history of life insurance. This contract contains guarantees reducing the cost of insurance to a point below the rates charged by assessment societies or even existing non-participating plans, and in addition provides for the return of all excess surplus earned by the company through favorable mortality, and marginal interest earnings.

Members of assessment societies, who have had their assessments increased on old certificates, will save money by applying at once. For further information regarding this at The patrons of the Grand Opera tractive plan of insurance, apply to W. J. Fair, district manager, Kingston, Ont. All correspondence will be considered strictly confidential.

QUIRED REVENUE.

Many Applicants Failed to Use | Gas-A New Rule Adopted-Only Six Lights Can Be Placed Around Cricket Field For 14th Regiment.

At the Light, Heat and Power comnittee meeting yesterday afternoon there were present Aldermen Givens (chairman), Chown and Couper. The Kingston Milling company, lim-

ited, explained in regard to its application for permission to bring power from Kingston Mills over the streets of the city to its mill, that the permission of the department of railways and canals to use the power dated chants of the city had sent out 6,000 cure employment, and went from there Primrose said that he was glad to not present action on the Milling com-
