Are Pretty, Becoming And Bewitching.

More of daintiness, stylishness, prettiness and low priceness was embodied in never Waists. So many charming styles - so many fabrics are represented -so much of perplex. ing variety—so much of beauty and value. It would be difficult to choose from them if it were not that your choice will be right no what you matter choose.

Every Waist we show is of perfect stylethat will be apparent! on sight, but the number of styles we are showing is surprising. We scoured the market for Waists - viewed

LOURSELF

them al and selected only the best. Our assemblage is the cream of the season's Waist styles. And in our quest for beauty, style and variety we never overlooked the important matter of price.

We have attended to that too-you will avow that you never saw such Waist values.

MR. M'KAY GIVES FACTS WITH REGARD TO DEAL.

Shuffle in the Work-Every One Outside of the Caucus Deceived-The Mortgage Made and Signed By the Whitney, Government.

Mr. McKay's Explanation. The liberal government in passed an act authorizing the anteeing of the bonds of the dian Northern, and the taking of a mortgage on the line of railway from Toronto to Sudbury as security. Under that act the mortgage would cover all lands, station houses, buildings and rolling stock then owned or afterwards acquired by the company.

Premier Whitney announced that he hoped to close the session a week before the day on which prorogation actually took place. Then as a result of a request from the government of a request from the government. With the Best Singing Company Ever Here, Headed by MME. MONTE BALDINI Prima Donna From Manhattan Opera House, N. Y., and JOHN DUNS-MERE, the Famous Basso From Covent hoped to close the session a week ment side I stated that I could see Garden, London no reason why the work of the session should not be concluded on the Saturday. At that time the question of this Canadian Northern guarantee and the Lakose matter had not been mooted. It goes without saying that matters of this importance should be mentioned in the speech from the throne or should be brought down early in the session in order that members of the legislature should ave full opportunity of ascertaining

I noticed that I'remier Whitney, peaking at Hamilton last night, said that the C. N. R. bill was brought down in the daylight. The guarantee bill and other important measures were not brought down until the evening. The bills were not distributed until the Saturday morning, ston is invited to the Whig Hall. and the 'Canadian Northern bill re- on ceived its third reading before /three o'clock on Saturday afternoon,

tion made by myself, the provincial treasurer made certain explanations which were so extremely lucid as to mislead all the newspapers as to the amount of the guarantee. It was however, the premier who made the exceptionally strong statement. He said distinctly that the original mortgage taken under the act of 1904 was lefective, that it did not cover terminals, and that was the reason for giving the additional guarantee so that with the Domestic Science Department, better required by of the Board of Education, on better security might be obtained by

I find that the Mail and Empire Beginning on WEDNESDAY, 18th inst. quotes him as saying, "When this ad-ministration came into power it found that the mortgage was drawn in such Accommodation for 24 only. No fee. a manner that all the valuable parts of the property were omitted. We are now trying to make themselves secure." He asserted that these were the facts, and if they were, I think Steel Coal Litigation Thought to you will agree that the opposition would not be justified in opposing the additional guarantee. If, as the preits duty in opposing the measure. The ture than was generally expected. Nehouse relied on the premier's statement and the bill went through. But what does subsequent inquiry reveal? | been settled and the principal point at

"The James Bay Railway company with the secretary of state at Otter, and the mortgage is registered tawa. I find on enquiry that the July 12th, 1906, and the guarantee is dated July 17th, 1906, and it was slack and \$1.80 per ton for run of ral government at all. It is stated signed on behalf of the province by Hon. A. J. Matheson, provincial treasurer. In addition, I find that the plan of the road from Toronto to the this branch of the case will be arrused before the case will be Sudbury was filed two years before argued before the privy council. Union station, It goes without say. Statutory Increases in Pay to Be taken, covers the Toronto terminal, and includes buildings, etc., then or

afterwards acquired. "The mortgage is drawn with special exception that it does not does it cover certain property Barnadale, Muskoka, nor does cover bonuses in connection with any of those lines. Terminals are not excepted, and it clearly follows that the mortgage only covered the middle of the road is entirely misleading, and

not in accordance with fact." Turning to the La Rose grant, Mr. Mackay stated that the provincial acting as a board of arbitration and dealing with the dispute. That board had brought in a report giving a certain amount of land to La Rose, and a Richards May Play For Ottawa.

Richards May Play For Ottawa. Matheson knew that, and he knew that the matter had been inquired in-

Severely he condemned the grant of \$130,000 to the La Rose people, and said that the whole trouble had commenced when the government had usurped the functions of the law.
