"OH MY POOR HEAD" Stop Those Headaches.

Headache and neuralgia are pronounced signs of blood poisoning. This poisoning of the blood comes from the waste matter of the body being left in the system, instead of being regularly carried off by the bowels, kidneys and skin.
When the bowels do not move regularly, the refuse is absorbed by the blood. Thus, the blood is loaded with foul poisons which irritate the nerves.
Poor skin action also causes headache and neuralgia. Impurities cannot escape through the skin, so the blood must take them up and deposit them on the nerves.
If the bowels and skin are not ridding the system of waste, the kidneys try to do so and are overworked.
There is just one way to cure headache and neuralgia—to regulate bowels, kidneys and skin so that all the poisons of the body will be properly carried off.
"Fruit-a-tives" keep blood pure and rich—relieve the stomach and kidneys—regulate the bowels; and invigorate the skin to healthy action. "Fruit-a-tives" are a wonderful discovery, being a combination of fruit juices and tonics. 60c a box—six for \$2.50. At all dealers, or from "Fruit-a-tives" Limited, Ottawa.

HAD THIRTY-TWO BOILS ON HIS BACK AT ONE TIME.
TWO BOTTLES OF BURDOCK BLOOD BITTERS CURED HIM.
Boils are simply evidence of the bad blood within coming to the surface. Just when you think you are cured of one, another seems ready to take its place and prolong your misery.
The only way to rid yourself of boils, pimples, and all skin blotches and eruptions, so that they will never return to bother you again, is to have the blood thoroughly cleansed of all its impurities.
For this purpose there is no blood medicine to equal Burdock Blood Bitters. It has been on the market for over thirty years, and in that time we have received thousands of testimonials stating positively that it will cure the worst known cases of boils.
Mr. James Combs, Eden, Ont., writes: "I think Burdock Blood Bitters a grand medicine for boils. I had them so bad I could not work. I had thirty-two on my back at one time. I used only two bottles of B.B.B. and they completely cured me. I cannot recommend it too highly. For sale at all Druggists and Dealers."

With the novice in his service, the devil is extremely cautious in giving orifice.
Some men fail to hit the target of success because they aim too high.

Through ignorance many have suffered aches and pains long thought incurable. But doubt quickly turns to belief when sciatica, lumbago and neuralgia are treated with Nervine. Its healing, soothing powers are like magic—in they sink, right through the sore nerve and muscles. Doubt is sure, suffering stops—because cold can't live if Poison's Nervine is applied. Think of the hundreds who that come to every family—rheuma, colds, stomach pains—all are cured and sickness avoided just by using Nervine.

CRIPPLING SCIATICA
A Sure and Certain Way to Cure This Terrible Torture.
There is just one sure, scientific cure for sciatica, rheumatism, lumbago, neuralgia, headaches—you must drive the pain from your blood and nerves, with Dr. Williams' Pink Pills. Lumbago never cures nerve and blood diseases. Dr. Williams' Pink Pills strikes straight at the cause because they actually make new blood. Through the blood they conquer the pain, soothe the nerves, loosen the muscles and banish every ache and pain. Thomas J. Ewell, Walkerton, Ont., says: "When I began using Dr. Williams' Pink Pills I had been off work for three months. The cords of my right leg were all drawn up and I could only limp along with the aid of a stick. The pain I suffered was terrible. Only those who have been afflicted with sciatica can understand the misery I was in 16th day and night. I took six boxes of Dr. Williams' Pink Pills before they helped me out after that every day saw an improvement, and by the time I had used fifteen boxes, every vestige of the pain had disappeared. I have no hesitation in pronouncing Dr. Williams' Pink Pills the best medicine in the world for sciatica."
Every dose of Dr. Williams' Pink Pills makes rich, pure, health-giving blood. That is why they cure headaches and backaches, indigestion, kidney and liver troubles, anemia, heart palpitation, and the ills that affect women only. But be sure you get the genuine pills with the red name, "Dr. Williams' Pink Pills for Pale People," on the wrapper around each box. Imitations are worthless—often dangerous. All medicine dealers sell these pills or you can get them by mail at 50c a box or six boxes for \$2.50, by writing to Dr. Williams' Medicine Co., Brockville, Ont.

Against Technical Schools.
Breadth of Education.
Organized labor is decidedly opposed to trade schools, because they introduce a system of apprenticeship over which they have no control. There is a wide difference between schools of this class and the kind of technical education which the Employer and others have advocated.

Beware of Any Physic That Brings Pain

Gripping and pain will never occur unless there is irritation. Salts and harsh pills bring their results by irritation—by causing the bowels to flow. So pepper in the eyes or nostrils will cause fluids to flow. But is it wise to treat a delicate membrane thus? Do so for a time and the membrane will harden. That is how Nature wards off such attacks. The you need larger doses. Eventually the calloused bowels fall in their functions entirely. Then you have chronic constipation. No wise person will ever abuse the bowels in that way. They will use Cascarets. Cascarets never cause pain. That proves that their action is natural. Yet they are just as effective as harsh physals.
