Gone up in Smoke

We destroy yearly good primers just to make sure that the others are all perfect. We go through the same thing with powder, paper, metal, etc. After these tests the perfect material is made up, and our experts shoot samples of every lot to prove their quality. We have the most practical and scientific tests used in the ammunition world.

For all makes of arms. Costs one-third to one-fifth less than duty paying ammunition. Our guaran-tee puts all risk on the Dominion Cartridge Co., Ltd., Montreal.

NEW ONTARIO ELECTIONS.

A Very Promising Forecast For the Liberals.

North Bay, Ont., June 5.-The following forecast for New Ontario at the coming provincial election, now that nominations are all in, will not be amiss: Limoges, liberal, will carry Sturgeon Falls by two hundred majority; Loughrin, liberal, will carry Nipissing by between two and three hundred; McKelvie, liberal, Temiskaming, will carry that constituency by over five hundred majority; Johnson, liberal, Parry Sound, will win easily; Cochrane will get the fight of his life in Sudbury. He has abandoned all his public meetings and has started a personal canvass. At the present writing it looks as though Price will defeat him, if Price gets any kind of a vote in Sudbury town.
